

03/15/2005

Drafting Advisor Board minutes for 2004-2005 meeting

Meeting was conducted per e-mail and telephone.

The proposed curriculum changes for the drafting program were e-mailed to board members and responses were all favorable to the changes. Only a few suggestions were offered, and taken into consideration.

e-mail was sent at first of February and responses were done within the first week in February.

Tony Thomas
