Dual Credit Annual Meeting

This is a reminder of the Annual Dual Credit Meeting. It is very important that all schools be represented. If at all possible all teachers need to attend. This year for the first time Amarillo College will be encouraging dual credit students to register online. Both students and faculty will be encouraged to use a web portal, MyAC. You will be given instructions on these two new functions at the meeting. In addition to this training you will meet with AC Departmental faculty to discuss course content. Please plan to attend.
