# Mission

## Amarillo College

*enriching the lives of our students and our community.*

## Continuing Education Division

*strengthening communities through lifelong learning.*

### Continuing Education

- The Registrar's Office records Continuing Education courses you have taken, and a transcript of those courses will be provided upon request.
- Continuing Education Units (CEUs) are awarded for designated Continuing Education classes. One CEU is defined as "10 contact hours of participation in an organized continuing education adult or extension experience under responsible sponsorship, capable direction, and qualified instruction."
- Students in Continuing Education classes for which CEUs are awarded will qualify for one of the following: S — Satisfactory, U — Unsatisfactory. Students in non-CEU bearing classes, courses generally designed for the student's personal enrichment and enjoyment, do not receive grades.

### Academic Freedom

Students shall be free to be guided by scholarly research, study the substance of a given discipline, examine pertinent data, question assumptions, take reasoned exception to information and views offered in the classroom, and reserve judgment about matters of opinion.

### Enrollment Eligibility Notice

Students with outstanding obligations to Amarillo College may not be allowed to enroll in or complete a Continuing Education course until the obligation is fulfilled. Students who have received a Criminal Trespass Warning from Amarillo College will not be allowed to enroll in courses held on any AC campus unless the warning has been lifted.

### SENIOR CITIZEN TUITION WAIVER POLICY

A Senior Citizen is defined as "any person 65 years of age or older." Tuition will be waived on eligible courses on a SPACE AVAILABLE basis; however, the class must reach its minimum paying enrollment, but not its maximum, for the policy to apply. Proof of age and photo identification are required, and the student must pay all course/lab fees.

Continuing Education Courses: A Senior Citizen must complete the "**Continuing Education Registration Form.**" Continuing education courses that do not meet the criteria for state funding must be self-supporting and are not eligible for the Senior Citizen Tuition Waiver. Ineligible courses include all Personal Enrichment courses and most Occupational Continuing Education courses that are less than seven clock hours in length.

### TPEG Funding

**TPEG funding** for certain CEU credit bearing Continuing Education classes is available to eligible students. Student eligibility is based on demonstrated need and is limited to student enrollment in an occupation specific state funded course. TPEG funds do not cover textbooks or supplies. The Financial Aid Office will determine individual approval and oversee the disbursement of TPEG funds. Please contact the Continuing Education Office at (806) 371-2910 for more information.

**Note: Application does not guarantee payment of tuition, and the award is based on the availability of funds.**
