

My name is Mike Self and I am the girls' golf coach at Amarillo High School. I am raising money for the Eric and Brie Gomez family. They were involved in a fatal car accident in which Brie passed away from her injuries. Doctors performed an emergency C-section and delivered a 3 pound son named Curran. She leaves behind two daughters' age 6 and 2 years old as well. Eric is a coach and teacher at AHS.

I will be playing a maximum of 100 holes of golf at Comanche Trail Golf Course in one day during the week of January 17-23, 2011. I am asking you to make a donation based on the number of pars, birdies, and/or eagles that I make during the 100 holes played. An example would be as follows:

Birdies made- $10 \times \$1 = \10 and/or

Eagles made- $1 \times \$20 = \20 and/or

Pars made- $60 \times .25 = \$15$

You may also make a donation based on the number of holes I play. I will have an official score keeper with me. I currently have a 2 handicap.

Holes played- $100 \times .25 = \$25$

All money raised will go to a trust fund set up at Happy State Bank for Curran Blaec Gomez, newborn son of Eric and Brianna (Brie) Gomez. Please make checks payable to this fund.

Please respond to me at scoopself@yahoo.com if you would like to donate to this family. Please forward to your friends, family, business, etc. I will email you with the results of my golf marathon. Thank you for your time and generosity.

Sincerely,

Mike Self
Biology, Girls Golf
Amarillo High School

Please pledge to one or more of the following:

Amount/Par _____

Amount/Birdie _____

Amount/Eagle _____

Amount/Holes Played _____

Checks payable to: The Curran Blaec Gomez trust fund. Please mail checks to 3405 Rutson Dr., 79109. You may also deliver your donation to Happy State Bank.
