

**AMARILLO COLLEGE  
DUAL CREDIT STUDENT PERMISSION FORM**

Student: \_\_\_\_\_ SS#: \_\_\_\_\_ Classification: \_\_\_\_\_

High School: \_\_\_\_\_ Date: \_\_\_\_\_

High School Grade Average: \_\_\_\_\_ Counselor: \_\_\_\_\_

Where Will Class Be Attended?: \_\_\_\_\_

In order for a student to enroll in a course for which high school and college credit will be granted, the student must know and follow the requirements listed below.

The student must be a junior or senior.

The student must have a high school grade average of (80).

The student must meet established college entrance requirements.

The student is responsible for the college costs as determined by contractual agreement between Amarillo College and the independent school district.

If a course is taken at Amarillo College, the student is responsible for providing the high school with a transcript showing the grade received.

If a course is taken at Amarillo College, the student is responsible for providing the high school with a grade report at the end of each six weeks.

The student must be enrolled as a full-time student for at least two-four hours (depending on your school district) of non-dual credit high school instruction.

Courses taken for dual credit will be counted toward eligibility requirements.

Dual Credit students will not be eligible for the Amarillo College Suspension Waiver Program.

Any exception to these requirements must be approved by the Vice-President for Academic Affairs at Amarillo College and by the high school principal.

The student and parent must understand that the college will have all of the responsibility for the course for which college credit will be given in the dual credit setting including requirements and grade.

By signing below, we acknowledge that we have read the Student Information Packet and understand the eligibility, financial aid, and future college enrollment implications.

Additionally, I authorize the release of information from my Amarillo College academic records to appropriate high school officials.
