Getting long- term care (Medicaid for the Elderly and People with Disabilities) or cash help (TANF) could affect your immigration status and your chances of getting a Permanent Resident Card (green card). Getting other benefits will not affect your immigration status and your chances of getting a Permanent Resident Card. You might want to talk to an agency that helps immigrants with legal questions before you apply. If you are a refugee or have been given asylum, getting benefits will not affect your chances of getting a Permanent Resident Card or becoming a citizen. Social Security Numbers You only need to give the Social Security numbers (SSNs) for people who want benefits. Giving or applying for an SSN is voluntary; however, anyone who doesn't apply for an SSN or doesn't give an SSN can't get benefits. If you don't have an SSN, we can help you apply for one if you are a U.S. citizen or a legal immigrant. You must be a U.S. citizen or a legal immigrant to get an SSN. You can get benefits for your children if they have an SSN and you don't.

All Benefit Programs Facts HHSC Has About Me

HHSC uses facts about people applying for benefits to decide: (1) who can get benefits, and (2) the amount of benefits. HHSC checks facts with the federal Income and Eligibility Verification System. If any facts don't match, HHSC will check other sources (banks, employers, etc.). If anyone applying for benefits has an immigration registration number, HHSC must check with the U.S. Citizenship and Immigration Services' (USCIS) system. HHSC will not give anyone's facts to USCIS.

In most cases, I can see and get facts HHSC has about me. This includes facts I give HHSC and facts HHSC gets from other sources (medical records, employment records, etc.). I might have to pay to get a copy of these facts. I can ask HHSC to fix anything that is wrong. I do not have to pay to fix a mistake. To ask for a copy or to fix a mistake, I can call 2-1-1 or my local HHSC benefits office.

Keeping My Facts Private

HHSC will keep my facts private if they were collected:

- By HHSC staff or contracted provider staff.
- To find out if I can get state benefits.

HHSC can share facts about me:

- When needed for me to get state health-care benefits.
- With phone and utility companies. They will find out if my bill amount can be lowered. HHSC will give them my name, address, and phone number.

Cash Help for Families (TANF) Child Support or Alimony

I agree to:

- Let the state keep any child support or alimony money owed to anyone during the time they get TANF.
- Let the state keep this money after TANF benefits end, if the TANF amount anyone got still needs to be paid off.
- Tell HHSC about money anyone gets.
- Work with HHSC to get this money; if I don't, I am breaking the law.

The state will keep only the amount allowed by law.

If I Give False Information

If I choose not to tell the truth, I might:

- Be charged with and punished for a crime. (This could include going to prison for up to 10 years or community supervision.)
- Have to repay benefits.
- Never get TANF again.

Food Benefits (SNAP) Telling the Truth

Anyone who applies for or gets SNAP must:

- Tell the truth.
- Never trade or sell SNAP benefits, Lone Star Cards, or other devices that allow people to get SNAP.
- Never use or have Lone Star Cards or other devices if they don't belong to them.

Anyone who chooses not to tell the truth might:

- Not get SNAP for a year or more.
- Be fined up to \$250,000, jailed up to 20 years, or both.
- Lose income tax refunds.
- Be charged with other crimes.
- Have to repay benefits.
- Never get SNAP again.

The same is true if anyone lets someone else use their Lone Star Card.

Facts Anyone Tells or Gives HHSC

HHSC uses the facts anyone tells or gives HHSC, including Social Security numbers to:

- Check if that person can get benefits.
- Check that person's facts with computer matching programs and credit reporting agencies.
- Make sure that person is following benefit program rules.
- Help other agencies check if that person can get other benefits.
- Recover benefits that person wasn't supposed to get.
- Share facts about that person: (1) with other state and federal agencies (for example, the Texas Workforce Commission, the Social Security Administration, and the Internal Revenue Service); (2) with law enforcement officials so they can find people on that person's benefits case (the household) who are wanted for fleeing the law; and (3) with federal, state, and private claims collecting agencies for food benefit overpayment claims collection action.

Medicaid If I Give False Information

If I choose not to tell the truth, I might:

- Be charged with a crime.
- Have to repay benefits.

The same is true if I let someone else use my medical card or Medicaid ID.

Giving Out Facts About Me

I agree to let Medicaid health care providers (doctors, drug stores, hospitals, etc.) give out any facts about me to HHSC. This will allow the providers to be paid by Medicaid.

Medical and Child Support Payments

Depending on my benefits case, the Attorney General (the state) might check that I am getting the right amount of child or medical support payments and coverage.

• If only my child gets Medicaid, I can decide if I want the state to help get any payments and coverage we should get, but don't get right now.

- If my child and I both get Medicaid, I must:
 - Help the state get any payments and coverage we should get, but don't right now. If I don't help the state, my child can get Medicaid, but I might not.
 - Identify who the child's other parent is.
 - Allow the state to keep any medical support payments.

If I get Medicaid, HHSC will keep medical service payments I can get from other sources, such as:

- My health insurance.
- Money I got because of injuries.
- Money collected for me or my children by the Office of Attorney General.

I must tell HHSC about these sources. If I don't, I am breaking the law.

HHSC will only keep the amount of medical support and service payments allowed by law. I will work with HHSC to get these funds.

By signing below, I agree:

- To let HHSC and other state, federal, and local agencies check, share, and get facts about anyone on my benefits case (the household).
- To let other people, businesses, and organizations share facts they have about anyone on my benefits case (the household) with HHSC.
- The facts to be checked and shared include anything that helps decide: (1) who can get benefits, and (2) the amount of benefits.

My Answers Are True I certify under penalty of perjury that the information I have provided on this application is true and complete to the best of my knowledge. If it is not, I may be subject to criminal prosecution.
