Program Marketing

Ellen Green will attend the next Dean's Council meeting on January 5. She has a budget to market a limited number of programs. Russell asked Dean's Council members to bring a list of recommended programs that meet the following criteria:

- Programs with the greatest potential for growth
- Correlated with highest quality

Career Cluster brochures will also be discussed with Ellen.

Academic Leadership Retreat

Russell distributed a copy of the proposed schedule of Spring 2011 Kickoff Activities.

An academic leadership retreat for division chairs, department chairs and program coordinators is scheduled for Thursday, January 13 from 8:00am to 3:00pm. The retreat will be held at Region XVI. Dean's Council members are scheduled to arrive at 1:00 to hear presentations that have been developed throughout the day.

West Campus Presentation

Bill Crawford distributed handouts outlining the history of the West Campus and maps of the original and current layout of the campus and gave a brief history of the campus.

Donna Cleere presented information about the Dental Hygiene and Dental Assisting programs. She included the service learning activities students

participate in during the year. Activities include not only local, but regional and international (Nicaragua) events as well.

Sheryl Mueller presented information on the ADN and LVN programs in the Nursing Division. The ADN program is the third largest of the 62 ADN programs in the state (behind Austin Community College and El Centro in the Dallas County Community College District) and the fifth largest among the 94 RN programs in the state.

New Business

MCC is receiving a donation of 10-15 acres for a Career and Technical facility.

A group from Hereford is touring the Canyon ISD support center tonight. Hereford is considering the possibility of a new facility and the Canyon ISD support center is a structure that could be modeled.

Adjourned at 3:20.
