

Planning and Evaluation Tracking

College Year: 2010-2011

Division of: Finance & Administrative Services

Person Responsible: Mike Duval

Department of: College Police

Purpose Statement: It is the mission of the Amarillo College Police Department to support the College's mission of "providing educational, cultural and community services and resources to enhance the quality of life for the diverse population in the service area" and we are committed to the protection of life and property of the Amarillo College students, faculty, staff, campus and community.

Goal Statement #1:

Acquire updated Mobile Dispatch Terminals to allow the department continued access to needed law enforcement data from TLETS (Texas Law Enforcement Terminal) through the Amarillo Police Department 24 hour computer link.

Objectives/Outcomes (including assessment tools and standards):

Acquire funding for terminal update.

After one on one coaching of the AC Police Staff and Texas Law Enforcement Telecommunications System study guide, all AC officer's will pass the TELETS certification/recertification as documented by each officer receiving a passing certificate.

Results:

Funding was obtained during the budget process.

13 AC officer's completed TELETS certification (100 %).

New officers will be required to complete TELETS certification.

Terminals were purchased and installed in patrol units.

Use of Results (including improvements and revisions):

Analysis: Goal Completed

Plan of Action - None

Goal Statement #2:

Provide continuing professional training for all AC police officers

Objectives/Outcomes (including assessment tools and standards):

After participating in a basic active shooter course based on ALERT standards, all AC police officers will demonstrate how to safely and effectively respond to – address- and stop an active shooter as measured by a proficiency evaluation form.

Results:

There are no results at this time – still in the planning and organizing stage of development.

Use of Results (including improvements and revisions):

Analysis:
