AGENDA ITEM	ACTION DISCUSSION INFORMATION	RESPONSIBILITY
Call to order/Introductions	Kinzer called the meeting to order and introductions were made.	Kinzer
Minutes	The minutes of the October 27, 2011, meeting was approved as written.	Committee
Student Representatives	Ahnood & Jimenez thanked the clinical sites for all their support and for putting up with them. Ahnood asked why the processing software in the clinical areas was all different. Dr. Byrd addressed the question in that most sites do have different software programs due to different equipment, and referring physician's preferences. Kinzer and Rowh added that it is helpful as it allows the student to become familiar with many different software programs in processing and that it would a good attribute to list on a resume.	Ahnood & Jimenez
Clinical/Lab Assistant	Gray thanked everyone for everything they do for the students and their continued support of the program.	Gray

Advisory Committee Meeting Minutes

Medical Director	Dr. Byrd thanked everyone for volunteering their time teaching the students. The program is a good program and it makes a big impact in the regional area.	Dr. Byrd
Director's Report	<p>Rowh reported that the employer surveys will be sent to them electronically and that their feedback is very important.</p> <p>The 2011 pass rate for the boards is a 100%! Rowh changed the seminar course and made it more rigorous...the students took that challenge and rose to the occasion.</p> <p>Four students dropped from the program last year due to life situations. Dr. Byrd asked if that information could be posted on the Nuclear Medicine website. Crawford said that it could be added because the website is public domain.</p> <p>Rowh showed everyone pictures of the new hot lab and gamma camera.</p> <p>Rowh thanked the VA for their donations of phantoms.</p> <p>Rowh talked about the "No Excuses" philosophy that has been implemented at Amarillo College which engages students to develop higher individual expectations and visible pathways for students and their success, and how well it has worked. Students have received financial assistance, as well as medical assistance, that have allowed them to continue in school and to achieve their dream.</p>	Rowh
Affiliation Reports	<p>Amarillo Diagnostic – Students are doing great! Had questions regarding the competency grading form for the students. Rowh will look over the form and contact Hudspeth after the meeting.</p> <p>Cardiology Center of Amarillo – Students are doing very well.</p> <p>Harrington Cancer Center – Students are doing well.</p> <p>Northwest Texas Hospital – Students are doing well.</p> <p>Texas Oncology – Students are doing well.</p> <p>VA Hospital – Students are doing well and enjoy having them.</p>	Affiliations
Other Reports	<p>Rowh reported that the application deadline for the program is May 31st and has received many applications thus far.</p> <p>The John Paul Harris Scholarship will be available to students this fall semester.</p> <p>As a reminder the programs website is: www.actx.edu/nuclear_med</p> <p>Hudspeth reported that the student with the language barrier last year is doing extremely well this year!!!</p> <p>Crawford thanked everyone for their support.</p> <p>Dr. Lowery-Hart added that the partnership between the clinical sites and Amarillo College is extremely vital to Amarillo College...and thanked them for their continued support.</p>	
Tour new facilities	Rowh took those advisory members interested to the new classroom/hot lab and to see the new gamma camera.	Rowh
