AGENDA ITEM		ACTION DISCUSSION INFORMATION			RESPONSIBILITY	
Old Business:						
None						
Continuing Business:						
Welcoming of guests and AC Employees		Brian Jacob welcomed everyone to the meeting. All members and faculty were asked to introduce themselves the business they represented				
New Business:						
Appointment of Chairman		Brian appointed Bobby Cooper as chairman of the board				

Advisory Committee Meeting Minutes

	Brian also discussed that in the Fall of 2013, it will be easier to go under the Automotive umbrella and maybe be able to get a Diesel Associate and CDL with Forklift	
Curriculum Decisions:		
DEMR 2346	Derek explained DEMR 2346, which is the new Diesel Course in the Diesel Technology. Bobby asked if we are going to newer electronics for cars as well as tractors and such. Billy explained about his Advance Electronics we are working on and getting newer pieces of equipment at the college.	
Other:		
Hybrid Classes	Micah asked about hybrid classes for cars. It was discussed that the costs for hybrid classes are enormous and tools are expensive. But, it will come eventually.	
KEY DISCUSSION POINTS	DISCUSSION	
Old Business:		
East Campus Renovation	Discussion was held on the East Campus Renovation. A wall will go in the Automotive Lab the Monday after graduation to separate AutoBody Collision and Aviation. Automotive will go to the Diesel Bay with Diesel.	
	All the Transportation Cluster will be in one building.	
Continuing Business		
Updates of the Buildings	Continued Discussion on the update of the various buildings.	
New Business:		
Diesel Techs	The question was raised why more students go toward Diesel Tech jobs. It was decided they make more money at the start up, \$28.00 hourly starting pay than Automotive.	
Curriculum Decisions:
