

PET FORM
Planning and Evaluation Tracking
(2011-2012 Assessment Period)

Division of: [Industrial & Transportation Technologies](#)

Person Responsible for this Division: [Dr. Fouts](#)

Department of: [Utility Power Worker](#)

Person Responsible for this Form: [Terry P. Tucker](#)

Purpose Statement (With Last Updated Date): [Train students for successful careers in the electrical lineman industry \(10/14/11\)](#)

Goal Statement #1:

[Students will attain an industry-recognized credential, certificate, or degree.](#)

Outcome/Objective Statement

(Be sure to include audience, behavior, conditions, degree/benchmark, and evaluation method):

[Upon completion of the Utility Power Worker program, the number of AC students that attain a credential, certificate, or degree will meet or exceed state standards based on the THECB data.](#)

• Results (Provide Numbers and Percentages for Quantitative Data)

[New program - N/A](#)

[Three-year period results](#)

Program by Name / CIP codes	Results	State Standard
UPW / 46.0301	0	

• Analysis

- Provide Previous Data/Result Analysis

[The Utility Power Worker program has been newly created beginning Fall 2011. There are no prior benchmarks.](#)

• Improvements

- List any Improvements Made in the **2010-2011** (Last Academic) Year Based on the **2009-2010** PET Results:

[New program - N/A](#)

- Evaluate Why Improvements Were Successful/Were Not Successful:

[New program – N/A](#)

- Provide the Budget Information Needed to Make Past Improvements (Cost/Details):

[New program – N/A](#)

• Recommendations/Actions for 2011-2012

- Person Responsible (Who will complete the action?):

[Terry P. Tucker](#)

- Action Plan:

[Career education and program information are being distributed to inform the public about this rising new career field and the opportunities that are offered by Amarillo College.](#)

- Expected Time Frame Needed to Implement Action Plan (Please provide specific deadline date):

[At least one year will pass before there will be any completing students from this new program.](#)

- Budget Information Needed for Future Action (Cost/Details):
-

Goal Statement #2:

Students will be placed in military service, apprenticeship programs, or placement/retention in employment including placement in high-skill, high-wage, or high-demand professions.

Outcome/Objective Statement

(Be sure to include audience, behavior, conditions, degree/benchmark, and evaluation method):

After completing an AC manufacturing program, 80% of the completing students will be employed or pursue additional education based on THECB data.

• Results (Provide Numbers and Percentages for Quantitative Data)

New program – N/A
