**Health Sciences Dean Candidate Presentations**

Dean's Council interviewed Doug Adcock and Mark Rowh for the Health Sciences Dean position. The candidates also gave open presentations to faculty and staff.

Randy Clark, a third candidate, will be interviewed on Friday.

**Cost Efficiencies Survey from CB**

AC received a Cost Efficiencies Survey from the THECB. Russell previously sent a survey link to Council members and identified survey questions for specific Council members to address.

Many recommendations in the survey are not being implemented by the College so cost impact cannot be determined.

**New Business**

Faculty credentials have been completed from the SACS report recommendations. A manual has also been created to evaluate qualifications of new faculty prior to hiring.

Final SACS report has been submitted.
