AGENDA ITEM		ACTION DISCUSSION INFORMATION			RESPONSIBILITY	
Welcome & Introductions		Dr. Coury, Chairpeson, welcomed everyone and introductions were made around the table.			Dr. Coury	
Approval of Minutes		The minutes of the 11.16.12 meeting were approved with no corrections.			All committee members	
Health Science Advisor		Clifton thanked everyone for the support of the program. The college as a whole was down 5% for the fall semester. Registration for spring started and enrollment is robust. The west campus Christmas Party is December 5. There were two blood drives at west campus with a record number of 21 donations!			Cherie Clifton	
Student Representative		Foster reported that the students are working on a lot of C & D patients. The students will take their written boards in April and their clinical boards in June.			Senne Foster	
Director Report		Cleere appreciates the dental community for all of their support. Currently there are 26 sophomores, and 27 freshmen. Blackboard is the new AC educational software and it is an exceptional program. The only challenge was adding the			Donna Cleere

	<p>Clinical component, but it was added successfully! The students completed one mock board and thanked the faculty for all their hard work in helping the students. The dental clinic is in its fourth year of being an accredited testing site, and the next test will be held May 30 & 31, 2014. Committee Advice: Dr. Vaughan asked if it would be possible if the college could provide second year students with a certification in 'soft tissue laser'? Cleere added that she would look into it.</p> <p>Parking is a problem and would like to see the dirt area paved so that the patients and students would not have to walk in the dirt.</p> <p>The students would like to see more online testing.</p>	...continued
Faculty Reports	<p>Henderson reported that this year has been busy. Students are seeing approximately 50-60 patients on Mondays and Wednesdays. He also enjoys the new Blackboard software.</p> <p>Lester showed a power point presentation of the students at the 2013 Texas Mission of Mercy where they screened 350 patients. The students also went to Olsen Park Elementary, Reeves Hinger Elementary, Guyon Saunders Resource Center, a mission trip to Nicaragua, visited several Nursing Homes, and completed 45 hours of community projects.</p> <p>Lester-Chisum reported that clinical is going, as well as a full pass rate on the mock boards with an average of 97.4%.</p> <p>Lindsey-Goldston reported that the students are doing a fabulous job in the sterilization area!</p> <p>Collins reported that the fall classes are going well and the students are learning a lot. Dr. Harrison, part-time faculty, is assisting in the lab.</p> <p>Hayhurst reported that the students are in preclinical and learning their instruments and they are doing very well.</p>	Dr. Henderson, Amanda Lester-Chisum, Karen Lester, Stephanie Lindsey-Goldston, Jnita Collins, Karen Lester & Lynette Hayhurst
Dean of Health Sciences	Rowh thanked everyone for their support. Due to data gathering from the programs staff and faculty, Cleere was able to hire support staff to help Brenda Beach-Shelton at the front desk area, and to hire another full-time faculty.	Mark Rowh
Adjournment	Being no further business the meeting adjourned at 1:30 p.m.	All Committee Members
