	Advisory Committee Meeting Minutes
KEY DISCUSSION POINTS	DISCUSSION
	Dale Davis called the meeting to order at 12:20 pm. He welcomed everyone and asked for introductions to be made around the room. Introductions included new member, Jeff Yarbrough, Chief of Tulia Police Department.
	The last meeting did not have a quorum present to approve the minutes so Dale asked for a motion to approve the minutes from the January 15, 2014, meeting. Jerry Bigham made a motion to approve, Bill McLean seconded the motion, and motion carried.
Education Report:	Lori Gunn with PRPC gave a presentation on the PLETS website. She went over instructions on how to set up a user name and password in order to log-in and post classes. After training is posted, the post will be approved by the
	that case, she will notify the poster to clarify the information before final approval. Each agency should have someone who has access to PLETS who will post their training. Usually this person is the Training Officer or Coordinator for the agency. If needed, training information may be e-mailed to Lori who will post it on the calendar website. You do not need a login just to see the training schedule or calendar; you only need a login and password to post training.
	Lori and John encouraged agencies to update user names and passwords for their current Training Officers and to use the PLETS website to post and locate training. The PLETS website was created in response to a request from this Advisory Committee some years ago and has been a great place to advertise or look for training held throughout the Panhandle. We just need to keep the website <u>current</u> .
	Eric spoke a few moments about the Spanish for Law Enforcement online training held through the Spanish on Patrol website (spanishonpatrol.com/prlea). The online training cost \$99 and will take a minimum of 20 hours to complete. After course is completed your hours will be reported to TCOLE under #34001 which covers the #2109 requirement. The website offers three course options: Spanish for Law Enforcement, Spanish for Corrections, and Spanish for 911 Dispatchers.
PRLEA Update:	Hank gave Academy update:
	The 109th Academy is in the final month of their 2nd Semester. Last night was the last of their Patrol Procedures; next they have Emergency Communication and then their Review. Graduation is in two weeks on August 28 at 6:30 pm at the Oasis Southwest Baptist Church. We will have a place for each of you to set on stage and would like all to attend so please mark your calendar.
	Out of the 27 recruits graduating from the 109th Academy, 23 are already employed. Hank asked everyone to send him information on job postings. He will forward the postings by e-mail blast to all current and past recruits.
