PRESIDENT'S REPORT

Dr. Conner provided a legislative and institutional update, highlighting that the regular legislative session has concluded and several bills have passed. The college is currently awaiting guidance and rulemaking from the Texas Higher Education Board to understand the implications for community colleges. Over the coming months, Amarillo College will assess whether policy and procedural changes are needed and present any recommendations to the Board. Two key bills were shared with the college community for awareness:

- Senate Bill 37: Addresses changes to curriculum review process and faculty governance.
- Senate Bill 2615: Places restrictions on telework for higher education employees, outlining conditions for approval.

Dr. Conner noted that the FY 2026 data run from the coordinating board is expected this week, with a follow-up webinar likely to be scheduled for colleges to ask questions. Regarding House Bill 1403, which granted in-state tuition to undocumented students under certain conditions, Dr. Conner stated its repeal will have a relatively small impact on current fall registrants. The college is working on a communication plan to support affected students and ensure continued compliance.

Dr. Conner also reported on the widespread reach of Rafael Aguirre's story, which has achieved over 500 million combined views across social media platforms, 8 million Facebook views, and coverage in 188 media stories. It will be featured in the next Brick and Elm issue. Additional highlights included:

- Visits to Texas Tech Health Sciences and Texas Tech Veterinarian Schools
- A meeting with Cenikor to explore recovery support pathways for students and raise addiction awareness.
- Reminder that tonight is the last night for June Jazz.

Dr. Conner concluded by asking the Board to remember to get with Ms. Greenwood if they would like to attend the ACCT and CCATT conferences.

APPROVAL AND ADOPTION OF UPDATES TO THE BOARD OF REGENTS ONLINE POLICY MANUAL.

Mr. White presented Update 49, noting that update 50 is forthcoming. The Policy Committee reviewed and approved all changes recommended by TASB, which were largely rewording with minimal substantive changes. A notable addition is Policy BCB, addressing board committees and clarifying that such committees must be established through Board action, including ad hoc and temporary committees.

The committee proposed one amendment to Policy BCB- to allow non-voting representatives to participate in board committees, which otherwise consist solely of board members. Implementing this would require creating a custom local (X) policy. Mr. White asked the Board how they would like to proceed. Mrs. Carlisle clarified that tonight's action is to approve the policies, as recommended by TASB, with a vote to establish current committees scheduled for the August meeting. Mr. White stated that Dr. Sobey approved the faculty-related policy, ECC and noted that the Board could make BCB an (x) policy at a later time.

Mr. White discussed the TASB Community College Services Update 49 arising from changes to federal statues and rules issued by the Texas Higher Education Coordinating Board and other state and federal agencies.
