Health Science Advisor	ABSENT	Debby Carey

Student Representative	Artho stated that she is in the 2016 graduate class, is the class president and she is very blessed to be a part of the program. Artho reported that they have been doing a lot of community service and volunteering and they are now using TalEval which provides a good & fair way to be graded in the clinic. Artho presented a power point presentation showing all of the places that students have volunteered: Bowie, Boys Ranch Job Fair, Glendale, Panhandle Job & Health Fair, Texas Mission of Mercy 2015, Astoria Park, Veteran's Hospital and the Amarillo Health Block Party. Artho also stated that the use of electronic books are easier to look things up and to make notes. Artho thanked all of the instructors for everything they do.	Jill Artho
Director Report	Cleere reported on the community service in Lubbock: TMOM (Texas Mission of Mercy 2015) and that there are over 18,000 patients in the database for the dental clinic. Cleere gave the committee dates for the next site visit which will be February 14 – 15, 2017 and that they will be working on the self-study that will be due this time next year. Cleere reported that last semester the curriculum was reviewed and changed from 72 hours to 68 and that AC is looking at additional certifications and looking at grant opportunities. Cleere stated that finals will be on December 7 th .	Donna Cleere
Faculty Reports	Lester-Chisum reported on: objective grading format- TalEval, teaching pre clinic now, did a course redesign, moving towards a full hybrid course, students are using tablets for evaluations and everything is going great. Leonard reported that she started at AC this fall and is very appreciative to work at AC and that the students are great. Hayhurst reported that clinic is going great. Dr. Henderson discussed some of the curriculum changes, blackboard and training on security in the clinic. He stated that opportunities for students here are really good. Collins reported on the trip to Sim Central with the students and the opportunity to see the 3D Sim Man.	Amanda Lester-Chisum, Mitzi Leonard, Lynette Hayhurst, Dr. Henderson, Jnita Collins
Affiliations	Everyone speaks very highly of the program and stated that all is going well. A couple of questions were asked about what it would take to get a laser certification course at Amarillo College and who could go and see the 3D Sim Man at Sim Central.	Dr. Kirk Coury, Dr. James Vaughan, Dr. McEntire
Dean of Health Sciences	Rowh thanked everyone for all that they do for the program. Provided and discussed an institutional goals handout with the committee. Rowh will look into the laser certification and check with Sim Central to see who all can use the 3D Sim Man.	Mark Rowh
Adjournment	Being no further business the meeting adjourned at 1:25 p.m.	All committee Members
