She thanked the staff and campus representatives who had worked to coordinate the dinner and meeting space for the evening. Chairman of the Board of Regents, Ms. Michele Fortunato, thanked Moore County for their hospitality and introduced the Regents in attendance, including newly elected regent Sally Jennings. Dr. Lowery-Hart thanked the Moore County Campus for their work across divisions and within their community, and Mr. Monty Hysinger, Dumas ISD Superintendent, noted that they enjoy their partnership with Amarillo College.

Ms. Melissa Bates, Moore County Campus Assistant Director, introduced the MCC Student Ambassadors in attendance who had helped set up and serve the dinner. They work to remove barriers for fellow students.

Ms. Alexa Maples, Student Support Services Coordinator, talked about the Department of Education Student Support Services grant Moore County has had since 2005. The grant supports 100 first-generation, low-income, and disabled students. Their data reflects that they have exceeded their goals and national averages. The goals include academic good standing, persistence, graduation and/or transfer. The students are supported by student success committees, social media, a student support services lab, tutoring, advising, a student education plan, and FAFSA assistance. They also participate in cultural events, service projects, and transfer trips.

MCC also has a Top 10 ceremony for its students, a food pantry, and many student clubs. Ms. Vincent also promoted the upcoming Spring Luncheon to raise scholarships for their new nursing program.

There were no public comments.

MINUTES APPROVED

Minutes of the regular meeting of April 25, 2017 and the special board meeting of May 16, 2017 had been provided to the Regents prior to the meeting. There was no discussion.

Ms. Carlisle moved, seconded by Dr. Proffer, to approve the minutes. The motion carried unanimously.

There were no administrative or faculty appointments to approve for this agenda.

B. BUDGET AMENDMENTS:

The Budget Amendments are attached at page 199.

Mr. Henke moved, seconded by Mr. Barrett, to approve the consent agenda. The motion carried unanimously.

FACULTY PROMOTION IN RANK RECOMMENDATIONS

The following faculty members were recommended for promotion in rank by their supervisor, the Rank and Tenure Committee, the appropriate administrative channels, and the President. They meet all criteria for promotion in rank as stated in the Amarillo College Faculty Handbook. If approved, the effective date will be September 1, 2017.

Kristin Edford	Humanities
Marcia Julian	Associate Degree Nursing
Michelle Orcutt	Speech

Dr. Clunis presented the names of faculty who are recommended and noted that one petition was denied. She reviewed the criteria for petitioning for rank and promotion. This requires a thorough portfolio and includes committee work, service to the community and college, and student success data. It is a reflective process which improves instruction and quality overall. She is working to support new faculty and encourage those who have not petitioned in the past. This process is not tied to SACS accreditation. She also noted that many faculty are currently working toward advanced degrees.

Ms. Carlisle moved, seconded by Mr. Miller, to approve the faculty promotion in rank recommendations.

BOARD NOMINATING COMMITTEE REPORT AND ELECTION OF OFFICERS

The nominating committee proposed the following slate of officers for consideration:

Chairman – Dr. Paul Proffer Vice Chairman – Johnny Mize Secretary – Anette Carlisle

Mr. Miller moved, with no second required, to accept the 2017-2018 slate of officers. The motion carried unanimously.

Ms. Fortunato then continued on with the meeting.

OATHS OF OFFICE FOR NEWLY ELECTED REGENTS

Ms. Joy Brenneman administered the oath of office to the newly elected regents, Mr. Jay Barrett, Ms. Michele Fortunato, and Ms. Sally Jennings, for three six-year terms and declared them duly sworn in to serve on the Amarillo Junior College District Board of Regents. The six-year terms of office will end in May 2023. All were welcomed and congratulated as Regents.

Ms. Fortunato thanked Dr. Nossaman for his service to Amarillo College and pointed out that he will still be very much involved with Amarillo and the college. Dr. Nossaman then expressed how much he had enjoyed serving on this particular Board and thanked them for keeping student success at the forefront. Dr. Lowery-Hart thanked Dr. Nossaman for his service and also Ms. Fortunato for her service as chair through a tumultuous time and for representing AC on the national stage.

2017 PRELIMINARY BUDGET OVERVIEW

Dr. Russell Lowery-Hart and Steve Smith presented the 2018 preliminary budget overview. This report provided the Regents advance information in order to be prepared for the budget and planning workshop to be held July 25, 2017.

Mr. Smith presented the budget overview. It is a balanced, pay-as-you-go budget with all expenses paid by current year revenues. Auxiliary and fee revenues previously reflected as net amounts after expenses are now reflected as actual revenue and expense amounts. This budget includes a 1% anticipated increase in enrollment as well as increased tuition and fees. Biannual state appropriations are down \$550K. The largest funding comes from contact hours. Taxes are \$1M higher due to increased property values. Projected revenue is \$66,520,051. The budget matches financial and auditor statements and includes all revenue.

Salaries have been broken out for each employee group and reflects a 3% raise for all employees including part-time staff and adjunct faculty. Overall administration and classified salary costs have been reduced. Merit based raises will be implemental in the Fall of 2017 for administrative and classified staff and in Fall 2018 for faculty. Amarillo College is only the 2nd community college in Texas to have merit based pay. Benefits were not affected in this biennium

Mr. Smith included six new faculty lines in core subjects with high demand: Business Administration, Biology, Education, ESL, Humanities, and Speech/Communication. Ten sections will be added for each of these courses. Projected expenses include an increase in travel for professional development, an increase in utilities due to an expected rate increase, and a reduction in advertising. Increased capital expenses of \$2.5 will pay for necessary projects previously postponed due to budget constraints and include an elevator on the West Campus and some chiller units. Also included is \$1.25M for technology upgrades and replacements. A \$50K expense for library books is required for SACS compliance. The college is considering lease agreements with Enterprise as vehicles cycle out. The projected budget also has \$435K in contingency funds.

More budget information will be provided at the June Board meeting and the budget will be finalized at the July Board budget workshop.

The current budget has a surplus which will allow the college to make investments in technology and should allow the college to pay back the reserve for the 2016 retirement incentives in the current fiscal year.

No action was taken on this item.

FINANCIAL REPORT APPROVED

Mr. Smith reviewed the April 2017 financial statements attached at pages 200 through 207. The college's net position was \$90,117,233 resulting in a net change of \$8,015,857 which is up from last year.

Ms. Carlisle moved, seconded by Mr. Henke, to approve the April 2017 Financial Report. The motion carried unanimously.

CLOSED MEETING

At 7:33 p.m., Chairman Fortunato called a closed meeting to confer with the College legal counsel regarding employment matters pursuant to Section 551.071 of the Texas Government Code. Neal Nossaman, Mark White, and Steve Smith were asked to stay. After that discussion, the closed meeting continued in order to discuss the evaluation, employment, and compensation of the President of Amarillo College pursuant to Section 551.074 of the Texas Government Code.

The closed session concluded at 8:40 p.m. with a quorum still present. No final decision, action or vote was taken in the closed session and the Board reconvened in open session.

After the Board reconvened in open session, Mr. Henke moved that Dr. Russell Lowery-Hart be reappointed President of Amarillo College and that General Counsel work with him to finalize an Employment Agreement containing the following general terms:

- 1. The length of the Employment Agreement will be five years, to commence June 1, 2017, and end on May 31, 2022; after that the contract will renew automatically for succeeding one-year periods;
- 2. The base salary will be \$205,000 per year;
- 3. The car allowance will be \$10,800 per year;
- 4. Deferred compensation that would consist of the accumulation of 15% of the base salary plus interest at 5% compounded annually. Dr. Lowery-Hart would be entitled to receive 50% of the deferred compensation after completion of five years as President under this contract, and he would be entitled to receive 100% of the deferred compensation (less any portion of the deferred compensation previously paid) after he completes ten years as President under this contract; and
- 5. All such amounts to be paid out of non-appropriated funds.

With respect to number 4, Dr. Lowery-Hart and Counsel are authorized to structure the deferred compensation in a different manner that would offer similar value.

As part of the motion, Mr. Henke further moved that the Chair of the Board be authorized to execute the final Employment Agreement. The motion was seconded by Mr. Miller

The motion carried unanimously.
