Nancy Brent discussed ASP's Christmas Adopt-A-Student program and passed out the adopt-a-student forms. This program helps/assists ASP students who need help providing for their children for Christmas. It was requested that if anyone adopts a student for this project to please have their gifts to the Adult Students Program office by the week after Thanksgiving.

Funding for the Fall/Spring semesters have been short due to the economy of the past year.

Nancy shared a picture that was on the front page of the newspaper this morning of one of the Adult Students Program students receiving her flu vaccine.

The Adult Students Program made a donation to Tony Salazar's scholarship fund and received an acknowledgement from the family. There was also a donation made to the AC Foundation in Lena Mitchell's name. Lena worked with the Adult Students Program in the early 1980's.

Copies of the new Adult Students Program brochure were passed out.

Myrna stated how proud she is to be a part of the Adult Students Program Community Advisory Committee. She feels ASP is a good program and appreciates the help offered to students through the program.

Myna asked if there are enough calculators available for students to use. Nancy explained that the math department has purchased calculators and they are checked out through the Adult Students Program lending library, but there is always a need for calculators.
