#### **EVALUATION (DEGREE AUDITS)/CATALOG CURRICULUM**

Matney noted the discrepancy in the narrative for the “Recommended Courses” between the Biology degree audit (EVAL) and the Biology curriculum in the catalog. He is concerned that there may be other discrepancies throughout the catalog. This topic was discussed at the last Vice President’s Council and it has been decided that the newly formed Academic Assistant’s Council will review each evaluation/curriculum for accuracy and consistency and work with their supervisors to submit corrections to the Academic Affairs Committee.

#### **ARTICULATION AGREEMENT AMARILLO COLLEGE AND TEXAS TECH UNIVERSITY – BACHELOR OF INTERIOR DESIGN**

Matney reviewed the revised Interior Design Articulation Agreement with Texas Tech. Ann Stone has been working closely with Texas Tech and this is a good opportunity for AC interior design students.
