Bobbie brought a proof of the artwork for the t-shirts. Suggestions for changes were made. She will take them back to Karen for changes.

The list of supervisors is almost complete. Minor changes were made and turned back in for final changes.

Speakers, group activities, ice breakers and door prizes, vehicle reservations, name tags, food and snacks were also discussed.

Classified Roundup

The display for the Roundup is going well. Almost all of the t-shirts requested are in. Dr. Williams will be attending the function. This will be a great time for all classified employees to

meet our new president.
