Department Chair, Director and Coordinator Pay

Updated copies of the Department Chair Reassignment chart and the Program Directors & Coordinators Compensation list were distributed to the Council for review. Once finalized, a copy will be submitted to the Business Office and Human Resources.

Degree Checklists

Degree checklists are updated every summer to reflect changes in curriculum. Some programs have not submitted semester-by-semester checklist recommendations. The deans received a copy of a list of programs without a checklist.

Advisory Committees

Responsibility of all advisory committee information has been transferred to the dean of each division for programs within that division. Joy will continue to maintain the list of advisory committees listed on the website

Cultural Competency Test

All the deans have completed their cultural competency test. There will be a conference call with Dr. Prince on August 7 to discuss the results of the group.
