

NUCLEAR MEDICINE ADVISORY COMMITTEE MEETING

MINUTES

April 9, 2010

MEMBERS PRESENT: Amy Hudspeth – Chairperson, Marilyn Glidewell, Larry Rauscher, Deidra Parker, Dr. Byrd, Kelly Battey, Ed Smith

EX-OFFICIO'S PRESENT: Mark Rowh, Bill Crawford, Jerry Moller, Barbara Gray, Cherie Clifton, Kim Crowley

1. Welcome – Hudspeth welcomed everyone to the meeting and introductions were made around the table.
2. Minutes – The minutes of the October 29, 2009, meeting were approved as written.
3. Continuing Health Care Education – Crowley reported the Radiography Symposium will be held the first weekend in October, and Nuclear Medicine will be added to the agenda.
4. Division Advisor/Counselor – Amarillo College has a record enrollment this year! April 12 registration will start for summer and fall semesters. Spring Fling is May 6 and will be held at the West Campus where students, staff and faculty will play games, listen to music and enjoy a great lunch together.
5. Student Representative Report – Battey asked why students getting an AAS in Nuclear Medicine have to have the same amount of clinic hours at those getting a BAAS in Nuclear Medicine? Rowh will find the answer to that question and get back to Battey. Rowh added that Battey is a very good student who is self-driven in the classroom and the clinic.
6. Director's Report – Rowh gave everyone a handout on the NM program 5-year pass rate (1st attempt). As of 2015, there will be no more "fast trackers" entering the program. Also, the programs site visit will be June 21 & 22. Rowh gave everyone a copy of the Accreditation Standards for Nuclear Medicine Technologist Education and pointed out the information on page 7 under Curriculum, C2.1 & C2.2.
