Amarillo Bone & Joint – Students are doing well.

Amarillo Diagnostic Clinic – Students are doing well.

BSA – Students are doing well.

Dr. Garvish's Office – Absent

Dr.'s McKay & Fraizer – Everything is going well.

Golden Plains Hospital – Absent

Hereford Regional Hospital – Students are very energetic and doing well.

Moore County Hospital – We have a really good student this year.

Northwest Texas Hospital – Students are doing well.

Pampa Regional Hospital – Absent

VA Hospital – Absent

7. Student Representative Report – Cloyd reported that the students are not getting to rotate through surgery, because the doctor or doctors will not allow students in the OR. Also, it seems that male students are not allowed to do certain procedures. Crawford said that James was the programs Outstanding Major.
8. Ex-Officio Member Reports
 - A. Bill Crawford – Crawford reported that 30 freshmen started the program in the fall and there are 28 students left. Last week 27 students walked the stage during commencement. Currently, 86

students have applied to the program that will start in the fall. Becky Burton will assume the program director's position starting this fall, and Ken Woody will assume the clinical coordinator's position.

- B. Becky Burton – Bill Crawford received the Mead Award during commencement ceremony last week. Way to go Bill! The new evaluation forms seem to be well received in the clinical areas. If there is an old form floating around the clinical sites, please contact Burton and she will send you the new form.
 - C. Ken Woody – Woody reported that he is excited about his new job duties and hopes to see everyone in the fall.
 - D. Barbara Gray – Gray thanked everyone for all their support of the program and allowing the students to do their rotations at their facility.
9. Adjournment – Being no further business, the ex-officio's left the room so that the site team could visit with the CI's.

Minutes were written and submitted by Kim Lacey, Administrative Assistant.
