

## COURSE DEFINITIONS

1. **Traditional Course** – Instruction delivered 100% face-to-face contact with the instructor. A disclaimer will be added to all traditional course offering information to alert students they are expected to use computers with internet capability to enhance their learning. (May be lecture, laboratory, lecture/laboratory, clinical, practicum, internship, cooperative experience.)
2. **Online Course** – Instruction delivered 100% over the Internet. (Note: Does not require a student to come to an Amarillo College campus for any portion of the course.)
3. **Hybrid Course** – Instruction delivered 50% online and 50% conducted through face-to-face contact. (NOTE: Seat time will be reduced by 50% when scheduling classrooms.)
4. **Enhanced Online Course** – An online course that requires a student attend face-to-face instruction that does not meet the hybrid course definition. (Note: Any course that has more than 50% and less than 100% in an online component.)
