1. CC minutes for 9.27.19 approved.
2. ENGL.AA – Program Revision. The SPCH requirement was opened up to all SPCH offerings. The chair informed the committee that, in the future, expanding options within the core for any program would be a consent agenda item, but in this case it was important to make that a part of the CC record in the minutes. A motion was made, seconded, and approved by all.
3. The chair reminded the committee about the CC meeting in November and some upcoming curricular petitions involving new programs in construction trade, health sciences, and film. The chair reserved the right to call a December meeting to accommodate these petitions.
4. Meeting was adjourned.
