Old Business:	None
Continuing Business: Welcome / Introductions	Beverly Harrison welcomed everyone then asked everyone to introduce themselves.
Review of 2015-2016	 Department Updates: www.actx.edu/education Our main office where we advise and register moved from Durrett into the newly remodeled Dutton Hall 102. Child Development Lab School – Emily Stowers, Director –Accreditation process with NAEYC on target. We had the visit in early October. The staff went to the national conference in Dallas for National Association for the Young Children. The center will start participating in the Gold Assessment project through TAEYC. Certificates and Associate Degrees by Numbers - Lynda Barksdale reported completion numbers. Enrollment – 54 students graduated in the associate program; 14 in the administrative program; 9 in paraprofessional; 31 in providers program. Many students are on scholarship with the Texas Workforce Commission.
	• No Excuses – Data Driven Decisions - Rochelle is our TEACH Club sponsor and we do events with the schools. We took 8 college students and set up "Minute it to Win it" stations for the kids to go through. They got to play and have fun and run and jump and act silly I think the kids had fun. TEACH Club likes to give back and do a little community service.
	• Texas School Ready! - The department is continuing with this grant that improves skills for 4 year olds. We reach many classrooms across Panhandle.
