1. Provide Accuate and Timely Information	 1 After communicating accounting department timelines for submission of internal & external reports, the Institutional Research Dept employees will complete information requested and return the data to the Accounting Dept. by the established timeline 75% of the time as documented in Accounting Department Log maintained during the months of September/October/Novem ber of 2008 	 1 Data maintained on requests made of Institutional Research Dept. showed that 33% of requests were completed by deadline or day after the deadline as established by the Accounting Department 	 This is a 2% increase over the prior year. 4 of the audit deadlines were considered completed on time even though they were one day late. Reminders were sent either by e-mail on phone calls of impending deadlines. The IR department will be given an initial timeline on the cost study and asked for input before the deadlines are set. We will set up a task in GroupWise for August of next year to go over future deadlines in order to get input from IR Department so 2008-09 deadlines will be met.
	Restated for 2008-09 After communicating accounting department timelines for submission of internal & external reports, the Institutional Research Dept employees will
