

Planning and Evaluation Tracking

College Year: 2007-2008

Division of: Student Development

Person Responsible: April Sessler

Department of: Advising & Counseling

Person Responsible: Sally Evans

Purpose Statement: The Advising & Counseling center will assist students in identifying and achieving their educational goals.

Goal Statements	Objectives/Outcomes (including assessment tools and standards)	Results	Use of Results (including improvements and revisions)
1. Assess and guide students in choosing their career.	1. After completing a career assessment, 75% of participants will identify 3 possible career choices as measured by an assessment questionnaire and interview.	<p>1. <u>2006-07</u> N=103 77 (74.75%) students identified 3 possible career choices.</p> <p><u>2005-2006</u> N=75 69 (92%) students identified 3 possible career choices.</p>	<p>1. <u>2006-07</u> Analysis: students did not do as well as last year in choosing 3 possible careers. Each cohort is different and results will vary. Action Plan: Students will now take the assessment online; then bring results to an interview for more intense individual assistance.</p>
2. Provide supplemental support, enabling students to stay in college.	2. After applying and being awarded assistance from the Adult Students Program, 50% of these students will enroll in school the next semester.	<p>2. Fall 2006 – Spring 2007 N= 167 Returned: 142 (85%) Graduated: 19 (11%) Not enrolled: 14 (8%)</p> <p>2005-06 Of the 328 students who received assistance in the Fall, 2005, 208 (63%) either renewed their application for assistance with ASP or completed their educational goals.</p>	<p>2. Fall 2006 – Spring 2007 Analysis: Goal was met. Results indicate that students who receive financial assistance from ASP have a much higher retention rate (85%) than the college (73%). Action Plan: Will monitor for the next few years to determine if rate remains stable.</p>
