

Planning and Evaluation Tracking

College Year: 2007-2008

Division of: Behavioral Studies

Person Responsible: Jerry Moller

Department of: Behavioral Sciences

Person Responsible: Jerry Moller

Purpose Statement: To provide educational courses that focus on students' emotional, social and intellectual intelligences to better understand the human condition. (May 2007)

Goal Statements	Objectives/Outcomes (including assessment tools and standards)	Results	Use of Results (including improvements and revisions)
1. Develop an appreciation of the diversity of the human condition	1. After completing a course in Behavioral Sciences, at least 50% of the students will demonstrate a n increased cultural awareness and sensitivity. This will be demonstrated by the completion of an anonymous pre and post survey (test).	1.	1.
2. Deliver quality education to a diverse student population that facilitates graduation.	2. Students completing a course in the Behavioral Sciences will graduate at a rate equal to or greater than the institutional average.	2.	2.
