

## Planning and Evaluation Tracking

College Year: 2007-08

Division of: Behavioral Studies  
Department of: Substance Abuse  
Counseling

Person Responsible: Dr. Bob Banks

Person Responsible: Jerry Moller

**Purpose Statement:** Quality graduates for positions in alcohol and drug abuse counseling in the state of Texas.

Goal Statements	Objectives/Outcomes (including assessment tools and standards)	Results	Use of Results (including improvements and revisions)
1. Assume that students complete the program requirements for Substance Abuse Counseling	1. During the practicums DAAC 2266 and DAAC 2267 students will complete an online timed intake form (BHIPS) with no errors based on supervisor's approval and computer acceptance 1.b After completing an associate degree or certificate in SAC graduates will be successful in acquiring employment in the field or will transfer to institution of higher education with a minimum of 12 graduates in a three year period based on THECB Annual Data Reports.	1.	1.

2.Prepare students to pass the  
LCDC licensure exam

2.At the completion of the  
capstone course, DAAC  
2267-Practicum II, students  
will pass a mock oral case  
study juried by a three  
member advisory committee  
panel.

2.b After taking the licensure  
exam graduates will exceed  
the statewide benchmark for  
success rate based on  
licensure exam reporting  
data.
