

Planning and Evaluation Tracking

College Year: 2007-2008

Division of: Industrial & Transportation Technologies **Person Responsible:** Ed Nolte
Department of: Welding Technology **Person Responsible:** Kim Hays

Purpose Statement: Train production welders for industry.

Goal Statements	Objectives/Outcomes (including assessment tools and standards)	Results	Use of Results (including improvements and revisions)
1. Assure training meets industry standards.	1. Prepare curriculum to meet A.W.S. SENSE curriculum requirements for experience levels and course hours.		
2. Develop broad technical skills.	2. Demonstrate the ability to set up and accomplish major welding procedures.		
3. Acquire wide range of equipment familiarization.	3. Demonstrate knowledge of various welding machines and procedures.		
4. Assure quality level of instruction.	4. Acquire A.W.S. Certification in order to instruct students.		

5. Assure students meet A.W.S. qualification.	5. Seventy five percent of Welding students, after receiving training in a method, are able to pass A.W.S. qualification testing for various positions as determined by examination performed by alternate instructor as a step to A.W.S. qualification.
