1. Minutes from 9.25.20 and 10.30.20: Minutes were approved.
2. HORT 1401/AGRI 1407—Add to Core—Hobbs: No concerns or questions were raised regarding the request to add these courses to the core. The petitioner was informed about the resulting assessment requirements for any new courses added to the core. A motion was made, seconded, and approved by all.
3. GEOL 1403/1404/1401—New Course—Hobbs: No concerns or questions were raised regarding the request to add these courses to the inventory. A motion was made, seconded, and approved by all.
4. SRGT.CERT—Close—Holdaway: The request to close out the cert has been suspended after a follow-up conversation post meeting. While it is likely that the cert will be closed out in the future due to accrediting, and while students will not be advised into the cert as a stand-alone, the program manager has decided to keep the cert on the books for completions.
7. CETT.AAS.NT—Program Revision (all embedded certs)—George: Committee members asked several clarifying questions about the various proposed changes to the degree and embedded certs, but no concerns were raised. A motion was made, seconded, and approved by all.
8. OFAD.AAS—Program Revision (all embedded certs)—Pillai: Committee members asked several clarifying questions about the various proposed changes to the degree and embedded certs, but no concerns were raised about the specific

curricular changes being proposed. Committee members made suggestions to the proposed course sequencing for the program manager to take into consideration before submitting the sequencing to Advising/Student Plannin. A motion was made, seconded, and approved by all.
