<b>Approval of Minutes</b>		Marilyn called for approval of the minutes			Deedra Parker 1 <sup>st</sup> , Lindsey Hagemeyer 2 <sup>nd</sup> , All approved	
<b>Health Science Advisor Report</b>		No report				
<b>Student Report</b>		Angelica mentioned the tutoring center and how it has benefited her and the services the College offers such as the Food pantry, Tutoring, Counseling...She also thanked the clinical sites for all of their help.			Angelica Garcia – 2 <sup>nd</sup> year student	

<b>Director's Report</b>	<p>Tamra mentioned the AC Strategic Plan and stated there are no changes since the last meeting. Tamra is working to keep attrition rate down so pass rates can improve. Patrick who is the Lab Assistant has been helping 1<sup>st</sup> year students more. In the Fall we started piloting the HESI Test for Health Sciences. Tamra stated she will put more weight on the Critical Thinking piece. Med Term refresher will continue. Tamra mentioned she has 100% pass rates. John Huse held a boot camp on Physics and Instrumentation but students still did not do well on the Physics and Instrumentation exam in capstone. She stated that students would like to continue the weekend course if Kim Crowley is ok with. Kim stated she is ok with meeting on the weekend for the boot camp. Students going to BSA, Covenant, and UMC will read with a physician. Dr. Cassuto talked about a case study and would like to continue that. Tamra is working on her self-study. She will be asking for information from the clinical sites. Will need 7 years of information. Tamra stated she hopes to be able to travel in the spring for a conference. We will be gathering items for the Downtown Women's Center in November and December. 1<sup>st</sup> and 2<sup>nd</sup> year students went to The Escape Room in October to help them with teamwork and leadership. Tamra stated she will be taking Popcorn Tins to Clinical sites in December. In spring working on an assignment with Radiography or Nursing students.</p> <p>BSA felt there is more interaction with Radiography but the others felt there was more interaction with nursing. Tamra stated she will talk to both Radiography and nursing for next semester. Will be asking for feedback. Tamra stated pass rates are good. Job placement is 100% for those who went into Nuclear Medicine. Nuclear Medicine will have a site visit in 2022. Tamra mentioned she is traveling to Lubbock on Nov. 8<sup>th</sup> for a student site evaluation.</p>	
<b>Affiliation Reports</b>	<p>Tiffany Stevens – CT NWTXH – Tiffany stated the students have been great. They are short staffed at this time. No problems with 1<sup>st</sup> or 2<sup>nd</sup> year students.</p> <p>Lindsey Hagemeyer – BSA – Change for 1<sup>st</sup> year students...if they are unloading a patient, the student must have a tech with them.</p> <p>Marilyn Glidewell –NWTXH- Marilyn stated she is swapping roles at NW. Sierra will be replacing her.</p> <p>Elier Arenas (for Luis) – Texas Oncology – Elier stated everything is good, they have been busy.</p> <p>Deedra Parker – Cardiology Center – Deedra mentioned they have been busy. Really good students. They have a new PET area. There has been a bug in processing. They have a new camera. Student got to come back on Friday.</p> <p>Amanda Fuller – Amarillo Heart group- Things are great. The 2 students that have been at the facility are wonderful. No complaints.</p> <p>Scott Schwartz – Covenant Hospital - Scott mentioned that the students are</p>	

	doing very well. Dr. Cassuto – Medical Advisor – Students are well and he enjoys teaching them.	
<b>Dean of Health Sciences Report</b>	<p>Kim Crowley – Dean – Kim thanked the advisory board members for attending. We appreciate the support and guidance. Kim mentioned the new Perkins 5 Grant. We will need more input from our partners and make sure we get feedback from our Advisory Board members on any equipment needs and curriculum suggestions to meet objectives. Kim also talked about the HESI exam that will be required beginning Spring of 2022. We feel this will help programs get students who will be successful. HS Application opens January 1.</p> <p>Kim mentioned Spring Board Recruiting event for high school students from our region. AC Anti-Racism Committee. Key Experts will be invited to speak in an effort to eliminate barriers. High School tours are coming back. We have new degree...Pre- Health Sciences. This is for Health Sciences Majors but they are not in any of our programs. Designed to keep them on a path and be able to get an Associate Degree.</p> <p>AC Accreditation 10 year site visit with SACS is coming up soon. The college is getting prepared now. A lot of work goes into this. Several of our programs are working on their required program reviews including Tamra.</p> <p>Kim spoke for Melissa Burns – Hopefully have more CE Conferences. They are coming back. CT Program!! It was mentioned that we get asked by our partners if we are going to start a CT Scan program. They are needing more employees with this certification.</p>
