Hey! Hey! Hope you are doing well! Thanks for the email about AC fit club. How do we know when the Campus Council meetings meet?

As for the cholesterol/glucose screenings, the amount of \$ we are charging only covers our cost, so no one will be making any \$ this go around. The money will go into the SES/CFC account to pay for supplies.

I turned in an event request for selling water at the Combat/Fitness Challenge and we don't care if the Badger Hearts sell dog tags as a fundraiser along with us.

We can confirm where the profits, if any, from the Combat/Fitness Challenge go in our last meeting on the 30th. See you then!

Hope that answers all your questions/concerns.

Thanks for everything you do! You are awesome!

Hi Tricia,

Sorry we didn't add you to the website. You have been added, so you should be good to go. The Club Clash email should have gone out to you? I'm not sure why you didn't receive that. You are definitely on my club sponsor email group though! I see that Jeanetta has asked Dalila (PTK sponsor) to forward that info to you. Don't worry - I haven't done anything with the SGA on that either. They're a bit behind with getting their registration forms out. Clubs don't need to attend SGA meetings, unless you have a member that would like to do so. SGA is open to any student. We meet at noon on Wednesdays in CUB 208. The meetings that we DO ask all clubs to attend are the Campus Council meetings. We have had 2 this semester. At these meetings, I give important updates on rules and regulations, share info about what's going on with Student Life, and all of the clubs get the opportunity to share what they are working on as well. We ask that one student and/or one sponsor attend those meetings if at all possible.

Regarding the cholesterol screenings - it sounds to me like this is a fundraiser, is that correct? We may need to talk next week about this - I'm about to have to run out of here for the day. I need to know if profit is being made, and if so, who is keeping the profit, etc. Fundraisers may only be held on one calendar day per month, and this is based on state tax laws as well as AC policies.

Your event next Tuesday is fine - you can give out water to the students who participate.

Let's try to touch base Monday if you have some free time. I'll be around! Thanks,

Heather

Subject: AC Fit Club

I have a few questions. I noticed the AC Fit Club is not listed on the website under student organizations. Is there something i need to do to get it added? I have been told there is a club clash on the 30th. Are we invited? If so, how do we know what to do? I'm still not sure if and when someone is suppose to represent our organization at noon meetings (SGA)???

Thanks,

Tricia
