Craig,

Take a look at the survey below. It will be on a slide at General Assembly and we'll send an email out to all faculty/staff after general assembly to get more responses.

Hi Kyle,

Did you get the survey I sent you. Is this going to make it into General Assembly?

Kyle,

See attached. This is what I had in mind. It could be changed up to fit the format that you had in mind. Thanks.

Hey Kyle,

Did you all discuss the options for a wellness survey at general assembly? Anything decided?
