

Amarillo College Business and Leadership Councils will ensure to comply with GIPWE Advisory Committee Meeting Minutes by incorporating the following agenda items into the meeting minutes. For more information about the characteristics of these committees, review pps. 7-8 in the [GIPWE](#).

- (1) Identification of committee members (**name, title, and affiliation**);
- (2) Indication of the committee members' presence or absence from the meeting;
- (3) The names and title of others present at the meeting;
- (4) The signature of the recorder; and
- (5) Evidence that industry partners have taken an active role in making decisions that affect the program as outlined below:
 - a. Evaluating the goals and objectives of the program curriculum;
 - b. Establishing workplace competencies for the program occupation(s);
 - c. Suggesting program revisions as needed;
 - d. Evaluating the adequacy of exciting college facilities and equipment;
 - e. Advising college personnel on the selection and acquisition of new equipment;
 - f. Identifying local business and industry leaders who will provide student with wor-Obased learning experience, employment, and placement opportunities;
 - g. Assisting in the professional development of faculty;
 - h. Assisting in promoting and publicizing the program to the community and to business and industry; and
 - i. Representing the needs of students from special populations as defined in Perkins V.

For recorders/notetakers

Please review the guidelines above and below as you prepare the agenda and/or minutes.

If a motion is made, make note in the section of who made the motion, who seconded, and the include results of vote.

If there is no motion or action being taken on a discussion or a point in the agenda, note "no action or vote taken" in the section.

Signatures and Routing

Upon completion of the minutes, please send to program chair, program coordinator for signature and the Dean for review and final initial before you submit to the library for the electronic archives.

AGENDA ITEMS	Action, Discussion, Information	Responsibility
Old Business:		
Continuing Business:		
New Business:	Phillip stated that tool funding is gone.	
	Robert mentioned wanting to do ride a-longs for inspections.	
	Phillip offered state funded opportunities training services program for at risk students.	
	Paul mentioned maybe doing a hybrid work/school week, where the student would work 2 days and attend classes for 3 days.	
	Marc stated that ideal time for recruitment would be Fall. Sept- Oct and a good time to build relationships.	
	Jerry inquired about possibly a hybrid work day. School in the morning and then work in the afternoon.	
	Ryan mentioned having the students visit jobsites to know what to expect when they get to that point. It was mentioned that Jerry from Western builders donate money to go towards hard hats and high vis vests. He wants students to be acclimated to jobsite before they graduate. A new flyer is being created for the program. There was conversations about improvements at the Manufacturing Education Center (MEC).	
	Phillip mentioned maybe teaming up with their Education Outreach Specialist, Elisa Carter.	
	John would like to put a flyer in the students/potential employee's hand.	
	Dusty questioned how we cap out classes and have wait listed students. Craig mentioned recruitment maybe breaking away from joint booths.
