DISCUSSION:

1. WEST CAMPUS BUILDING C AND AEL	Sobey
Dr. Sobey reviewed plans for the relocation of AEL staff and classes. There was some confusion initially that all of AEL would relocate to Building C on the West Campus. Currently, classroom space in Building C is used for continuing education and enrichment classes and programs. He clarified that AEL staff could move to the West Campus, but some classes will still be scheduled in available classrooms at the Washington Street and North Campuses. Any plans for renovations associated with the move will be put on hold.
