DISCUSSION:

1. CYBERSECURITY	Hepler
Mr. Hepler reported that Information Technology started using duo factor authentication last month. He plans on moving several departments over to duo sign-in every two weeks. Mr. Hepler plans for all employees to migrate to duo factor log ins before students. Having employees familiar with the duo factor will allow them to help students navigate the process. Students are predicted to move over to duo factor this summer. Discussion took place on how to navigate duo sign-on for employees and students who do not have phones. Once logged into the device, duo factor will not require authentication for another 24 hours per device.
