Welcome to the world of Continuing Education at Amarillo College!

Continuing Education and lifelong learning play a vital role in the health of our college and community. I am extremely proud of our program as a Texas State leader serving over 26,000 CE students annually here in the Texas Panhandle.

As always, our class lineup overflows with educational opportunities for the entire family. From Medical Certifications to Welding to Floral Design, Amarillo College coordinates thousands of occupational and workforce training classes every year and more than 1,500 personal enrichment classes for ages 2 to 100. From Aerobics to Writing, Ballet to Motorcycles, we have a class you are bound to enjoy at a price you can afford.

Our Kids’ College begins the school year with fun classes that will capture your child’s interest and curiosity in a safe and nurturing environment. Gymnastics, Dance, Martial arts, and Theatre are just a few of the areas to choose from.

Regardless of which class you choose, you will enjoy meeting new people who share similar interests when you take a Continuing Education class at Amarillo College. We have something of interest for every member of the family.

Now it is time that I must bid you all farewell and inform you that I am retiring from my position as Dean of Continuing Education at Amarillo College. I want to take this opportunity to say how thankful I am for the opportunity to have served Amarillo College for the past 33 years. The mission of Continuing Education is to strengthen communities through lifelong learning, and I assure you, my wonderful staff and colleagues will continue with that mission….it is just what we do!

There are many great learning experiences waiting for you here at Amarillo College…I hope your Fall is full of lifelong learning!

Best regards and farewell,

Kim Davis
Former Dean of Continuing Education

Motorcycle Rider Course - Basic $235.00

Class is approved by the Department of Public Safety and is required for everyone, regardless of age, applying for a first time motorcycle endorsement. Ability to ride a two-wheeled bicycle is a prerequisite. In order to take the course, you must be at least 15 years of age and have an unrestricted provisional class "C" or higher driver's license or learner's permit. You must bring your driver's license or learner's permit with you to class. Please note: Students under 18 years of age must bring parent or guardian with them to start of first class in order to have them sign a waiver. Students under 18 who do not bring parent or guardian to sign waiver will not be allowed to take the class and will forfeit their class tuition and fees. A form will be given to students who successfully complete the course which will allow them to test for a motorcycle license. All participants must wear protective gear - eye protection, sturdy leather footwear that covers the ankle, long-sleeved shirt or jacket, long non-flare denim pants, or equivalent, and full-fingered gloves, preferably leather. You must bring protective gear to class. Students who do not bring protective gear will not be allowed to take the class and will forfeit their class tuition and fees. Motorcycle and helmet will be furnished, however, you may use your own DOT approved helmet. Please note that class begins promptly as scheduled. You must be on time to participate in the class. No refunds will be given for this class unless student drops class in person at the Assistance Center at least one business day prior to start of class. Class may run past the scheduled end time each day due to inclement weather and/or student needs, but schedules will be adhered to as much as possible. Be aware that this class is physically demanding and requires motorcycle riding outside in inclement weather conditions. You must be in good health to take this class.

Advanced Motorcycle Rider Course $125.00
Range exercises enhance both basic skills and crash avoidance skills. Improving braking and cornering finesse is emphasized. The course is beneficial for riders on any type of street motorcycle. Participants must have a valid motorcycle operator license or endorsement and show proof of insurance coverage on their motorcycle. They must also furnish own street-legal motorcycle, helmet, eye protection, long-sleeved shirt or jacket, full-fingered gloves, long pants, and sturdy leather footwear that covers the ankle. This course is designed for the rider with a minimum of 3,000 miles motorcycle street riding experience. Student must bring proof of current registration, motorcycle license, insurance and insurance to class. Class qualifies graduates for insurance premium discounts with some motorcycle insurers. Please note: Students under 18 years of age must bring parent or guardian with them to start of first class in order to have them sign a waiver. Students under 18 who do not bring parent or guardian to sign waiver will not be allowed to take the class and will forfeit their class tuition and fees. No refunds will be given for this class unless student drops class in person at AskAC one business day prior to start of class.
Motorcycle students who wish to include a passenger in the training may do so. Passengers will need to pay $25.00 to participate. Passenger registrations will be taken at the training site on the day of the class. Passengers under 18 years of age must bring parent or guardian with them to start of class in order to have them sign a waiver.

Zumba® Toning $60.00
Zumba® Toning combines targeted body-sculpting exercises and high-energy cardio work with Latin-infused Zumba® moves to create a calorie-torching, strength-training dance fitness party. Using Zumba® toning sticks or light weight dumbbells, you'll work every muscle group while you groove. Along with light-weight upper body resistance, you'll work against gravity or the floor to define your leg and ab muscles.

Please note that this program is designed to tone rather than build muscle for a "re-defining" total body cardio workout!

Professional Driver Training

The Transportation Industry is growing and there is a high demand for well-trained drivers. You can be one of them. This six-week course utilizes classroom instruction, range and road driving, and practical application of skills used in the operation of a tractor/trailer.

Prerequisites:
. Student must be 18 years of age at the commencement of the course
. Student must have a current valid Texas Driver License
. Student must have in possession first day of class a valid original Social Security Card
. Texas Department of Public Safety fees for Commercial Driver License and permit are included
. Student will be required to take a DOT physical on the second day of class. Cost of the physical is included. If the student cannot pass the physical, they will receive a course refund, less the cost of the physical and the Defensive Driving Course.

Students completing the course will have a Class A Commercial Driver License with tanker, doubles/triples, and school and passenger bus endorsements. DPS test for HAZMAT is included, but there is an additional cost for Federal certification. Students also trained by National Safety Council Certified instructors on Defensive Driving for large trucks and forklift operation. To obtain a Certificate of Completion, the student must pass all Texas Department of Public Safety requirements for a Class A Commercial Driver. License issued by the State of Texas. Upon completion of the course, the student will be qualified to secure an entry level job as an over-the-road operator with a Commercial Driver License. Amarillo College is not an employment agency, nor do we guarantee the Texas Department of Public Safety will issue a license. However, students have ample opportunity and help to talk with visiting recruiters, apply for employment, and pass DPS written test and driving skills test with an Amarillo College vehicle. In person registration at the Truck Driving Academy, East Campus Logistics Training Center.

Professional Driver Training

The Transportation Industry is growing and there is a high demand for well-trained drivers. You can be one of them. This six-week course utilizes classroom instruction, range and road driving, and practical application of skills used in the operation of a tractor/trailer.

- Prerequisites:
  - Student must be 18 years of age at the commencement of the course
  - Student must have a current valid Texas Driver License
  - Student must have in possession first day of class a valid original Social Security Card
  - Texas Department of Public Safety fees for Commercial Driver License and permit are included
  - Student will be required to take a DOT physical on the second day of class. Cost of the physical is included. If the student cannot pass the physical, they will receive a course refund, less the cost of the physical and the Defensive Driving Course.

Students completing the course will have a Class A Commercial Driver License with tanker, doubles/triples, and school and passenger bus endorsements. DPS test for HAZMAT is included, but there is an additional cost for Federal certification. Students also trained by National Safety Council Certified instructors on Defensive Driving for large trucks and forklift operation. To obtain a Certificate of Completion, the student must pass all Texas Department of Public Safety requirements for a Class A Commercial Driver. License issued by the State of Texas. Upon completion of the course, the student will be qualified to secure an entry level job as an over-the-road operator with a Commercial Driver License. Amarillo College is not an employment agency, nor do we guarantee the Texas Department of Public Safety will issue a license. However, students have ample opportunity and help to talk with visiting recruiters, apply for employment, and pass DPS written test and driving skills test with an Amarillo College vehicle. In person registration at the Hinkson Memorial Campus, 1115 W. 15th, Hereford, TX is required.

Professional Driver Training

The Transportation Industry is growing and there is a high demand for well-trained drivers. You can be one of them. This six-week course utilizes classroom instruction, range and road driving, and practical application of skills used in the operation of a tractor/trailer.

Prerequisites:
- Student must be 18 years of age at the commencement of the course
- Student must have a current valid Texas Driver License
- Student must have in possession first day of class a valid original Social Security Card
- Texas Department of Public Safety fees for Commercial Driver License and permit are included
- Student will be required to take a DOT physical on the second day of class. Cost of the physical is included. If the student cannot pass the physical, they will receive a course refund, less the cost of the physical and the Defensive Driving Course.

Students completing the course will have a Class A Commercial Driver License with tanker, doubles/triples, and school and passenger bus endorsements. DPS test for HAZMAT is included, but there is an additional cost for Federal certification. Students also trained by National Safety Council Certified instructors on Defensive Driving for large trucks and forklift operation. To obtain a Certificate of Completion, the student must pass all Texas Department of Public Safety requirements for a Class A Commercial Driver. License issued by the State of Texas. Upon completion of the course, the student will be qualified to secure an entry level job as an over-the-road operator with a Commercial Driver License. Amarillo College is not an employment agency, nor do we guarantee the Texas Department of Public Safety will issue a license. However, students have ample opportunity and help to talk with visiting recruiters, apply for employment, and pass DPS written test and driving skills test with an Amarillo College vehicle. In person registration at the Moore County Campus Career and Technical Center is required.

Mission
Amarillo College
enriching the lives of our students and our community.

Continuing Education Division
strengthening communities through lifelong learning.

Continuing Education
• The Registrar’s Office records Continuing Education courses you have taken, and a transcript of those courses will be provided upon request.
• Continuing Education Units (CEUs) are awarded for designated Continuing Education classes. One CEU is defined as “10 contact hours of participation in an organized continuing education adult or extension experience under responsible sponsorship, capable direction, and qualified instruction.”
• Students in Continuing Education classes for which CEUs are awarded will qualify for one of the following: S — Satisfactory, U — Unsatisfactory. Students in non-CEU bearing classes, courses generally designed for the student’s personal enrichment and enjoyment, do not receive grades.

Academic Freedom
Students shall be free to be guided by scholarly research, study the substance of a given discipline, examine pertinent data, question assumptions, take reasoned exception to information and views offered in the classroom, and reserve judgment about matters of opinion.

Enrollment Eligibility Notice
Students with outstanding obligations to Amarillo College may not be allowed to enroll in or complete a Continuing Education course until the obligation is fulfilled. Students who have received a Criminal Trespass Warning from Amarillo College will not be allowed to enroll in courses held on any AC campus unless the warning has been lifted.

Senior Citizen Tuition Waiver Policy
A Senior Citizen is defined as “any person 65 years of age or older.” Tuition will be waived on eligible courses on a SPACE AVAILABLE basis; however, the class must reach its minimum paying enrollment, but not its maximum, for the policy to apply. Proof of age and photo identification are required, and the student must pay all course/lab fees.

Continuing Education Courses: A Senior Citizen must complete the “Continuing Education Registration Form.” Continuing education courses that do not meet the criteria for state funding must be self-supporting and are not eligible for the Senior Citizen Tuition Waiver. Ineligible courses include all Personal Enrichment courses and most Occupational Continuing Education courses that are less than seven clock hours in length.

TPEG Funding
TPEG funding for certain CEU credit bearing Continuing Education classes is available to eligible students. Student eligibility is based on demonstrated need and is limited to student enrollment in an occupation specific state funded course. TPEG funds do not cover textbooks or supplies. The Financial Aid Office will determine individual approval and oversee the disbursement of TPEG funds. Please contact the Continuing Education Office at (806) 371-2910 for more information.

Note: Application does not guarantee payment of tuition, and the award is based on the availability of funds.
The Fine Print

• Amarillo College is an Equal Opportunity Community College.

• disAbility Services - Any student who has a disabling condition that may require special arrangements to meet course requirements should contact disAbility Services, Room 119 of the Student Service Center, Washington Street Campus or call 371-5436.

• Linked Courses - If a student registers through Occupational Continuing Education, they earn Continuing Education Units (CEUs) for designated classes, not Semester Credit Hours (SCHs). If students wish to receive SCHs, they must enroll through the College’s credit registration process.

• Class Cancellation - Amarillo College reserves the right to cancel a class or classes when necessary.

• Inclement Weather - In the event that severe weather conditions are present, the President of Amarillo College may find it necessary to close the College. Students and faculty are advised to listen to local radio and television stations for announcements and updates. The main telephone number for the College is 371-5000, and the message will be switched to announce weather-related decisions. Local television stations will be notified immediately of a closing decision. The latest information can also be found on the AC website: www.actx.edu

• Refund Policy - Unless otherwise stated in brochures, flyers, or other promotional materials, the AC Continuing Education Refund Policy is as follows:
  • Students must initiate all refund requests and transfers from one class to another.
  • Refunds are processed within 45 days.
  • If a student transfers to a different class, any additional tuition due must be paid at the time the transfer is processed.
  • If a class is cancelled, the student automatically receives a 100 percent refund.

Classes with fewer than three class meetings:
Until the close of business the last working day prior to the beginning date of the class:
• 100 percent refunds will be given.
• Class transfers are allowed.
• No refunds will be given on or after the first class day.

Classes with three or more class meetings:
Until the close of business the last working day prior to the date of the third class meeting:
• 100 percent refunds will be given.
• Class transfers are allowed and 100 percent of tuition already paid will be applied to the new course(s).
• No refunds will be given on or after the third class day.

• Notice to Employers - Third party checks received at the time of enrollment are applied to the student’s account.

Amarillo College
Everett and Mabel McDougal
Hinkson Memorial Campus
The Business and Industry Center (BIC) at the Downtown Campus of Amarillo College is the Panhandle’s premiere address for business training, seminars and large meetings. A short walking distance from the heart of downtown, the BIC is the perfect venue when workforce training is the focus of your event.

The 215 seat, classroom-style Auditorium contains state of the art audio-visual equipment and is complimented by a spacious and elegantly furnished lobby that features a full-service registration area. Refreshments are easily served in the auditorium foyer and can be provided by the vendor of your choice.

Down the hall from the auditorium, five smart classrooms and a computer lab can be configured to accommodate small and large groups for training and breakout sessions. If a catered meal is on your agenda, the Exhibit Hall has a simple kitchen for food staging with its own separate entrance.

The professional staff at Amarillo College’s Downtown Campus are seasoned and gracious meeting hosts, and will help coordinate registration and catering to make sure your event runs smoothly.
