Welcome to the world of Continuing Education at Amarillo College!

From pre-school to our golden years, lifelong learning enables all of us to increase our knowledge and acquire new skills. Every day our fast-paced high-tech world presents us with challenges to learn more, do more, and be more. Year round, we offer our training and workforce programs to meet the professional needs of our business community and educational opportunities for personal development.

Every summer we place special emphasis on our Kids’ College and Camps. This year you’ll find half-day and full-day theme camps at Ascension Academy that will capture your child’s interest and curiosity in a safe and nurturing environment. If it’s web design that sparks their interest make sure your child checks out our new Badger Tech Computer Camp on the Washington Street Campus. Whichever camp they choose, your kids will have a wonderful summer at AC.

For our adult learners, summer is the perfect time to enjoy a fun class or to enhance your professional skills. New this semester is a preparatory course for the International Association for Six Sigma Certification (IASSC) Yellow Belt Exam. Six Sigma became well known after Jack Welch made it a central focus of his business strategy at General Electric in 1995. Today, several different sectors of industry use it to achieve sustained quality improvement.

Regardless of which class you choose, you’ll enjoy meeting new people who share similar interests when you take a continuing education class at Amarillo College.

We look forward to seeing you in class and hope your summer is enhanced by learning that lasts a lifetime!

Best regards,

Kim Davis
Dean of Continuing Education

Defensive Driving
For additional information please call (806) 356-3649.

Defensive Driving $35.00
Instructors teach the National Safety Council’s six-hour improvement training. Since its introduction in 1964, this course has had the highest rate of success in reducing the number and severity of collisions and their related costs. It is one of the few programs that offer consistent quality and content nationwide. It is also approved by the Texas Education Agency. Reduce auto insurance rates. Receive up to a 10 percent discount on your insurance rates and premiums for 3 years (applies to premiums on all vehicles for which you are listed as primary operator). Dismiss tickets. Prior to taking the course, students must obtain permission to attend the course from the court in the area in which the ticket was received. Students taking the class for ticket dismissal must supply court information in order to receive the court copy of the certificate. Failure to provide court information will result in only the insurance certificate being sent. Sharpen your driving skills. Accept personal responsibility behind the wheel. Learn how drugs, alcohol, physical condition, and emotions affect your driving and decision-making skills. Avoid collisions by choosing safe, legal behaviors. Take your driving environment, vehicle and road conditions, and other driver into account. Learn how to use occupant safety devices correctly. (UNDER NO CIRCUMSTANCES WILL AN INSTRUCTOR ALLOW A STUDENT IN THE CLASS WITHOUT A PHOTO ID.) Another option is to take an online version of Defensive Driving, available 24 hours a day, 7 days a week, at a starting cost of $25 when you use the following link: www.idrivesafely.com/acc

Fencing-Intermediate/Advanced (Ages 13-Adult) $48.00
Prerequisite: This class is for adults, ages 13 and older, who have at least three (3) semesters of fencing instruction or have been approved by the instructor to register for the class. All adult students who are competitive USFA fencers should register for this class. Students in this class are required to be outfitted in full United States Fencing Association (USFA) regulation standard uniform and all necessary foil and epee equipment. Students should consult with the instructor BEFORE purchasing equipment. Depending on the student’s experience, the class provides beginning, intermediate or advanced instruction in the basic principles of modern sport fencing. The class emphasizes instruction in the techniques of the foil and epee. Depending on student interest, some instruction in the techniques of the sabre may be available. This class is more strenuous than the Adult Introduction to Fencing Class. The Monday class consists of drills and competitive bouts. The first half of the Thursday class is a review of basic techniques and development of the skills of the referee by interaction with beginning adult fencers during the Adult Introduction to Fencing Class. The second half of the Thursday class and all Saturday classes are intermediate and advanced training through drills and competitive bouts. Friday classes are intermediate and advanced training on either a one to one basis with the instructor or a teaching assistant as available or a small group lesson. On occasion, Friday night serves as a tournament night for all class students. The instructor is a professional member of the United States Fencing Association.

Motorcycle Rider Course - Basic $195.00
Class is approved by the Department of Public Safety and is required for everyone, regardless of age, applying for a first time motorcycle endorsement. Ability to ride a two-wheeled bicycle is a prerequisite. In order to take the course, you must be at least 15 years of age and have an unrestricted provisional class “C” or higher driver’s license or learner’s permit. You must bring your driver’s license or learner’s permit with you to class. Please note: Students under 18 years of age must bring parent or guardian with them to start of first class in order to have them sign a waiver. Students under 18 who do not bring parent or guardian to sign waiver will not be allowed to take the class and will forfeit their class tuition and fees. A form will be given to students who successfully complete the course which will allow them to test for a motorcycle license. All participants must wear protective gear - eye protection, sturdy leather footwear that covers the ankle, long-sleeved shirt or jacket, long non-flare denim pants, or equivalent, and full-fingered gloves, preferably leather. You must bring protective gear to class. Students who do not bring protective gear will not be allowed to take the class and will forfeit their class tuition and fees. Motorcycle and helmet will be furnished, however, you may use your own DOT approved helmet. Please note that class begins promptly as scheduled. You must be on time to participate in the class. No refunds will be given for this class unless student drops class in person at the Assistance Center at least one business day prior to start of class. Students completing the course will have a Class A Commercial Driver License with tanker, doubles/triples, hazmat, and school and passenger bus endorsements. Students are trained by National Safety Council Certified instructors on Defensive Driving for large trucks and forklift operation. To obtain a Certificate of Completion, the student must pass all Texas Department of Public Safety requirements for a Class A Commercial Driver License issued by the State of Texas. Upon completion of the course, the student will be qualified to secure an entry level job as an over-the-road operator with a Commercial Driver License. Amarillo College is not an employment agency, nor do we guarantee the Texas Department of Public Safety will issue a license. However, students have ample opportunity and help to talk with visiting recruiters, apply for employment, and pass DPS testing. In person registration at the East Campus Transportation Career Center, Room 500 is recommended. However, you can register and pay for courses on line at www.actx.edu/cereg.

Sew What!?! (Grades 3-6) $99.00
If you took “Sew What?” in week 2, feel free to sign up for this class as well. If you are a repeat camper or a first timer, you are welcome to join us. Plan on sewing your very own personalized drawstring bag and a pair of pajama pants you’d be proud to wear anywhere! Learn the basics, from threading the sewing machine to completing a simple project. Sewing skills help turn a great idea into something amazing! Students need to bring 3/4 yard of woven fabric for their bag and 2 1/2 yards for the pajama pants (please no fleece). Note: If you pick your own fabric, you will be proud of your finished product. All other materials, as well as the sewing machine, will be provided. Repeat campers will be working on a different project, Big Foot pillow and a wallet. Each student will need 1 ½ yards of flannel fabric for the pillow and ½ yard of heavyweight woven fabric, such as cotton duck, denim or canvas.

Mission
Amarillo College
enriching the lives of our students and our community.

Continuing Education Division
strengthening communities through lifelong learning.

Continuing Education
• The Registrar’s Office records Continuing Education courses you have taken, and a transcript of those courses will be provided upon request.
• Continuing Education Units (CEUs) are awarded for designated Continuing Education classes. One CEU is defined as “10 contact hours of participation in an organized continuing education adult or extension experience under responsible sponsorship, capable direction, and qualified instruction.”
• Students in Continuing Education classes for which CEUs are awarded will qualify for one of the following: S — Satisfactory, U — Unsatisfactory. Students in non-CEU bearing classes, courses generally designed for the student’s personal enrichment and enjoyment, do not receive grades.

Academic Freedom
Students shall be free to be guided by scholarly research, study the substance of a given discipline, examine pertinent data, question assumptions, take reasoned exception to information and views offered in the classroom, and reserve judgment about matters of opinion.

Enrollment Eligibility Notice
Students with outstanding obligations to Amarillo College may not be allowed to enroll in or complete a Continuing Education course until the obligation is fulfilled. Students who have received a Criminal Trespass Warning from Amarillo College will not be allowed to enroll in courses held on any AC campus unless the warning has been lifted.

SENIOR CITIZEN TUITION WAIVER POLICY
A Senior Citizen is defined as “any person 65 years of age or older.” Tuition will be waived on eligible courses on a SPACE AVAILABLE basis; however, the class must reach its minimum paying enrollment, but not its maximum, for the policy to apply. Proof of age and photo identification are required, and the student must pay all course/lab fees.

Continuing Education Courses: A Senior Citizen must complete the “Continuing Education Registration Form.” Continuing education courses that do not meet the criteria for state funding must be self-supporting and are not eligible for the Senior Citizen Tuition Waiver. Ineligible courses include all Personal Enrichment courses and most Occupational Continuing Education courses that are less than seven clock hours in length.

TPEG Funding
TPEG funding for certain CEU credit bearing Continuing Education classes is available to eligible students. Student eligibility is based on demonstrated need and is limited to student enrollment in an occupation specific state funded course. TPEG funds do not cover textbooks or supplies. The Financial Aid Office will determine individual approval and oversee the disbursement of TPEG funds. Please contact the Continuing Education Office at (806) 371-2910 for more information.

Note: Application does not guarantee payment of tuition, and the award is based on the availability of funds.
The Fine Print

• Amarillo College is an Equal Opportunity Community College.

• disAbility Services - Any student who has a disabling condition that may require special arrangements to meet course requirements should contact disAbility Services, Room 119 of the Student Service Center, Washington Street Campus or call 371-5436.

• Linked Courses - If a student registers through Occupational Continuing Education, they earn Continuing Education Units (CEUs) for designated classes, not Semester Credit Hours (SCHs). If students wish to receive SCHs, they must enroll through the College’s credit registration process.

• Class Cancellation - Amarillo College reserves the right to cancel a class or classes when necessary.

• Inclement Weather - In the event that severe weather conditions are present, the President of Amarillo College may find it necessary to close the College. Students and faculty are advised to listen to local radio and television stations for announcements and updates. The main telephone number for the College is 371-5000, and the message will be switched to announce weather-related decisions. Local television stations will be notified immediately of a closing decision. The latest information can also be found on the AC website: www.actx.edu

• Refund Policy - Unless otherwise stated in brochures, flyers, or other promotional materials, the AC Continuing Education Refund Policy is as follows:
  • Students must initiate all refund requests and transfers from one class to another.
  • Refunds are processed within 45 days.
  • If a student transfers to a different class, any additional tuition due must be paid at the time the transfer is processed.
  • If a class is cancelled, the student automatically receives a 100 percent refund.

Classes with fewer than three class meetings:
Until the close of business the last working day prior to the beginning date of the class:
  • 100 percent refunds will be given.
  • Class transfers are allowed.
  • No refunds will be given on or after the first class day.

Classes with three or more class meetings:
Until the close of business the last working day prior to the date of the third class meeting:
  • 100 percent refunds will be given.
  • Class transfers are allowed and 100 percent of tuition already paid will be applied to the new course(s).
  • No refunds will be given on or after the third class day.

• Notice to Employers - Third party checks received at the time of enrollment are applied to the student’s account.

Phlebotomy
Our Phlebotomy training program will prepare you to draw blood samples from patients in a clinical laboratory or public health setting and prepares you for a national certification exam. The program combines 64 hours of classroom instruction with a 40-hour phlebotomy externship to provide you with practical experience (Externship hours vary by state). Over the course of four months, you will gain exposure to on-the-job duties that include drawing blood samples from patients, producing quality laboratory results, gaining the trust and confidence of patients, and much more.

Veterinary Assistant
Our Veterinary Assistant courses will prepare you to assist the Veterinarian or Veterinarian Technician in their daily tasks such as feeding, watering, and examining pets for signs of illness, disease or injury. This program combines 35 hours of classroom instruction with a 24 hour volunteer experience you will coordinate in your local area. Over the course of five weeks we prepare students to clean and disinfect cages and work areas, as well as sterilize laboratory and surgical equipment in laboratories, animal hospitals and clinics.

EKG
Our EKG Technician training program will prepare you for this excellent career and to sit for a national EKG Technician certification exam. You will gain 70 hours of classroom instruction to help you acquire a strong understanding of electrocardiography. Over the course of 10 weeks you will gain exposure to job duties that include unit operation and troubleshooting, lead placement, use and understanding of EKG grid paper, recognizing EKG patterns in all 12 leads, plotting the EKG axis, and much more.
