Area Agency on Aging along with Amarillo College and Panhandle Area Health Education Center is sponsoring this two day educational event to inform care givers, both family and professional, on decisions and plans for best practices in caring for those in need. Attendees will learn to identify and make informed decisions about the care of their clients and/or loved ones. They will learn about how Medicare works with In-home care, Long Term Facility care, and Hospice care. There will be information regarding end of life care, Advanced Directives and Estate planning. Free CEU's will be offered for successful completion of both days. No partial CEU's will be given.

Amarillo College is an approved provider through the Texas State Board of Social Workers and provides CEUs for Social Workers. Amarillo College provides contact hours of continuing education for Licensed Professional Counselors
