

**SHERIFF**

**RENEW YOUR LESS LETHAL INSTRUCTOR CREDENTIALS IN LESS TIME AND FOR LESS MONEY!**

### LESS LETHAL 2-DAY – INSTRUCTOR LEVEL COURSE

The 2-Day Less Lethal course offers the very latest information in munitions from Defense Technology® and provides instruction for their application. This accelerated course is the best way to renew your 4-Day ICP Instructor credentials for another three years in half the time and for less money.

#### PREREQUISITES

Must have successfully completed the 4-Day ICP Less Lethal Instructor Program (OC, LLIM, CHEM and DD) within the last 5 years.

#### OVERVIEW

The course is separated into Classroom and Range Drill segments for the following disciplines: Oleoresin Capsicum (OC), Less Lethal Impact Munitions, Chemical Munitions and Distraction Devices™.

#### CLASSROOM TOPICS:

- Technical Information
- Tactical Considerations
- Legal Considerations
- Instructor Development

#### RANGE DRILLS:

- Technical Aspects / Tactical Applications
- Live-Fire Range Exercises

#### ADDITIONAL DETAILS:

- Instructors that complete this course will renew their Instructor level credentials for three years.
- Classroom size is limited.
- The Safariland Training Group only trains law enforcement officers, military personnel and correctional personnel.

### STUDENT EQUIPMENT LIST

#### Required Equipment:

- Eye and ear protection
- Flame/cut resistant gloves
- Defense Technology™ 40mm Launcher
- Body Armor
- Helmet

#### Optional Equipment:

- Riot type face shield
