

## **FREE Incident Response to Terrorist Bombings**

**April 14<sup>th</sup>, 2015 8:00 a.m. – 5:00 p.m., Amarillo, Texas**

This 8-hour course prepares officers to be able to identify bomb making and explosive materials, as well as how to respond to and set evacuations for terrorist bomb incidents and threats. \*This course is NOT a bomb technician/bomb squad certification school. It is to aid first responders in preparing for these events.

### Topics Include:

- Modern terrorism in the U.S.
- Recognition of energetic materials, explosive devices, and their components
- Incident response to a terrorist bombing or bomb threat at the local level

### To Register:

Visit [www.tmpa.org](http://www.tmpa.org) to register online for TMPA trainings. You can also email [training@tmpa.org](mailto:training@tmpa.org) or call (800) 848-2088 to register for classes.

This class is free to all students.

There is limited seating, so register early.

*TMPA is a certified TCOLE independent trainer. We bring the training to you at a very low cost because we are dedicated to the philosophy that a well-trained officer will not only better serve the public, but will also enjoy a safer career in law enforcement.*
