Dear Basic Peace Officer Academy Applicant:

Thank you for your interest in the Panhandle Regional Law Enforcement Academy (PRLEA) at Amarillo College. To obtain appointment to the Academy you must first complete and make an adequate score on one of the accepted admittance assessments, after which you may call and set up a time to interview. **Anyone desiring admittance into the Basic Peace Officer Course, must take one of the accepted assessments, or meet one of the exemptions.** Please read the enclosed "Applicant Instructions" for further information on the testing process.

Also, please visit www.tcole.texas.gov/content/career-texas-law-enforcement to learn more about the Texas Commission on Law Enforcement (TCOLE) licensing requirements to be a peace officer in the state of Texas. Please take a few minutes to look over these requirements, as they could affect your acceptance into the Panhandle Regional Law Enforcement Academy and your eligibility to be a Texas Peace Officer. Due to State requirements a background check of your criminal history will have to be completed through TCOLE prior to your admittance into the Academy. This will be discussed further during your interview.

In October, we will begin processing applicants for the 133rd Academy, scheduled to begin in April 2026.

Please make note of the following important dates concerning the 133rd Academy:

October 2025 - February 2026:	Applications accepted for Basic Peace Officer Academy
February 19, 2026:	Applicants must be tested and interviewed by this date
March 2026:	Selections made and letters mailed to the eligible recruits
March 2026:	Purchase Uniforms at AC Bookstore or as otherwise directed
April 7, 2026:	133 rd Academy begins
August 2026:	133 rd Academy graduates

Please note: The above dates are subject to change.

Again, I appreciate your interest in our Program. Please contact our office **if you meet one of the test exemptions or after** you have tested and are ready to be interviewed. If my office can be of assistance, please contact me or Janet Workman at (806) 457-4453.
