

**TEXAS NARCOTIC OFFICERS ASSOCIATION  
WEST REGION  
FALL TRAINING ANNOUNCEMENT**

**MEXICAN DRUG CARTELS  
&  
UNDERCOVER OPERATIONS**

The Mexican DTO portion of the class is very interesting, especially due to the current drug violence in the Mexican DTO's. The U/C portion of this class is very informative and gives a realistic insight not only to the seasoned narc but to the new narc or anyone interested in pursuing work in U/C operations. The class instructor for the class, DEA S/A Gilbert Gonzalez, retired with 24 years of experience. Agent Gonzalez has worked in the Los Angeles, San Antonio, El Paso and Guadalajara DEA Offices. S/A Gonzalez has extensive undercover experience working across the U.S., Mexico and South America, and he is recognized across the country as a Mexican DTO group specialist and U/C operations subject matter expert.
