About Your Speaker

Phylip Peltier is an internationally known speaker, consultant and expert witness whose expertise is in suspicious burn injuries. He developed the *Immersion Burn Evidence Worksheet* which has been distributed in all 50 states and 35 foreign countries. Mr. Peltier is now retired after more than 29 years of Law Enforcement Service. He has been an instructor in the investigation of child abuse as well as suspicious burn injuries since 1981.

About the Conference

8:00 Registration

8:30 Shaken Baby Case Study

A concerned mother sets up a nanny cam and catches the abuse of her child on video. Discussion following the viewing of the video will include: observation, objectivity, case preparation, demonstrative evidence, witness reporting, injury assessment and more.

9:30 Investigation of Suspicious Burn Injuries

Classifying and recognizing burns, temperature recognition, evidence collection, photography, interview and interrogation related to burn injuries, pattern recognition, clues to abuse and symptoms of burn injury abuse, court testimony, demonstrative evidence, case studies, photos of injuries and more.

12:00 Lunch—**PROVIDED ON SITE**

1:00 Investigation of Suspicious Burn Injuries, Contd.

After lunch we will continue The Investigation of Suspicious Burn Injuries and then include the “re-creation” of suspicious burn injuries. There will be additional case studies, victim injury photos, and activities re-creating burn injuries to further demonstrate the mechanics of the injury.

3:00 Genny Rojas, A Case Study in Torture

Genny is a 3 year old Hispanic female who died at the hands of her Aunt and Uncle in 1997. The Aunt and Uncle are the first and only husband and wife to be on Death Row, in the state of California. The presentation will show injuries, discuss testimony, evidence preparation and presentation, jury comments, and feed back from the prosecuting attorney.

4:30 Evaluation, Adjourn
