## I applied for Financial Aid, why were my classes dropped?

If the financial aid is completed and awarded by the time tuition is due and no payment is made, then the classes will be dropped.

Awards at Amarillo College are made on the basis of financial need, academic progress, achievement, or other qualifications required by the donors of the funds and Department of Education requirements state that students may only receive Title IV funds (grants/loans) for degree required classes.

Please check your [AC connect](#) email and portal for all updates and notices concerning your financial aid.
