

Financial Aid

When are financial refunds and loans mailed out?

Because dates will vary by semester, Financial Aid will post information about disbursements on the [Financial Aid Refund](#) webpage each semester. Students are encouraged to set up Direct Deposit as this makes the refund process faster for students.

To set up direct deposit, go to the Self Service Menu in [AC Connect](#) and under the Current Student tab select Financial Aid, click on the tab labeled, Direct Deposit and enter the information.

Unique solution ID: #1078
