HISTORIC 100TH COMMENCEMENT CELEBRATION

This marks the 100th Commencement Ceremony in the storied history of Amarillo College, which opened its doors in 1929 and until recently celebrated graduation but once each year.

The Spring Class of 2020 is brimming with graduates who worked hard and sacrificed much to reach their academic goals. As a member of this esteemed class, you will be forever connected to what is truly a milestone event.

Congratulations as you embark on the next chapter of your life. I look forward with great anticipation to the impact you will make on our community and our world.

Russell Lowery-Hart

President, Amarillo College

A LETTER TO OUR STUDENTS

The entire College Community joins me in celebrating your new beginning as a graduate of Amarillo College.

Not only have you successfully completed your course of study, you did so in the face of obstacles triggered by an unforeseen pandemic, which challenged not only your way of learning, but your way of life.

I personally commend your valiant perseverance. It is fitting that your unwavering commitment will be connected to the milestone 100th Commencement Ceremony and will forever be a part of the rich history of Amarillo College.

Our virtual graduation may mark the end of your career at Amarillo College, but it also serves as your portal to an abundance of opportunities that lie ahead, and all of Amarillo College cannot wait to see what you accomplish moving forward.

Sincerely,

Dr. Paul Proffer

CERTIFICATES *of* COMPLETION and ASSOCIATE DEGREES

The Associate in Applied Science degree is awarded for the completion of programs which prepare individuals to enter their chosen occupation after two years of college.

The Associate in Arts, the Associate of Arts in Teaching, and the Associate in Science degrees are designed as the first half of a traditional baccalaureate degree either for a Bachelor of Arts or Bachelor of Science degree in the chosen major. Those completing these degrees are prepared to transfer to a senior college or university to proceed toward their Baccalaureate degrees. The Associate in Arts degree emphasizes languages and liberal arts. The Associate of Arts in Teaching degree is conferred on students who plan to enter teaching careers. The Associate in Science degree emphasizes the sciences and mathematics.

Certificates are awarded for the completion of a specific program of study in a career or technical area – some one year and some two years in length. The certificates provide the foundation for an Associate, or a Baccalaureate degree, or for immediate employment.

HISTORY *of* AMARILLO COLLEGE

Amarillo College is a public, comprehensive two-year community college established in 1929. In fall 2019 the College served 9,809 students in academic courses and another 10,569 individuals enrolled in Continuing Education courses.

The College operates six locations in Amarillo: Community Link, East Campus, Downtown Campus, Medi Park Campus, Washington Street Campus, and West Campus, as well as the Moore County Campus in Dumas and the Hinkson Memorial Hereford Campus.

Small classes at Amarillo College allow ample opportunity for individual student participation and personalized attention. The Amarillo College community shares pride in its earned reputation for high quality instruction and academic excellence.
