contract to Amarillo National Bank and authorizing the College Vice President of Business Affairs to execute the contract and all

necessary agreements.

Meeting: Board of Regents, Tuesday, October 24, 2023

Department: Finance

Staff Contact: Chris Sharp, Vice President of Business Affairs

STAFF RECOMMENDATION:

Staff recommends approval.

BACKGROUND INFORMATION:

The primary depository services proposal solicitation was conducted to be in compliance with the State of Texas Education Code, Chapter 51; and the State of Texas Government Codes: Chapter 176 Conflict of Interest Act, Chapter 2256 Public Funds Investment Act, and Chapter 2257 Public Funds Collateral Act.

The College's current five-year Depository Contract terminates on December 31, 2023.

The College, with the assistance of Valley View Consulting, LLC, conducted the required solicitation and received five proposals to provide primary depository services to the College.

After a detailed review and analysis of the proposals it was determined that the incumbent bank, Amarillo National Bank, provided the most beneficial proposal to serve as the College's Primary Depository Services provider.

Amarillo National Bank has served the College well during the current contract period, and based on its proposal is expected to continue to be a good business partner with the College.

FINANCIAL IMPACT

The potential impact of the award will be an overall net income to the College of \$577,920 over the initial two-year term, and \$1,444,800 over the full five-year term if the one-year extensions are approved.

RESOLUTION NO. 08-15-23-2

A RESOLUTION OF THE CITY OF AMARILLO, TEXAS CITY COUNCIL: ADOPTING GUIDELINES AND CRITERIA FOR TAX ABATEMENT WITHIN REINVESTMENT ZONES FOR THE CITY OF AMARILLO; PROVIDING A SEVERANCE CLAUSE; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Amarillo desires to participate in tax abatements from time to time as the City Council may find appropriate, in accordance with the criteria and guidelines herein adopted;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AMARILLO, TEXAS:

SECTION 1. That for tax abatements in reinvestment zones adopted by the City of Amarillo, the fundamental purpose is to stimulate growth and create jobs, and the following guidelines and general criteria will apply:

- A. Tax abatements may be provided for both new facilities and structures and for the expansion or modernization of existing facilities and structures. Each project proposed for tax abatement shall be considered individually on its own merits, benefit to the public, and in context of any other economic incentives for the project or existing in the reinvestment zone.
- B. The developer, property owner, project owner, or other recipient of a tax abatement must annually certify in writing to the governing body of each participating taxing unit that the developer, owner or recipient is in compliance with each applicable term of the agreement.
- C. Only the taxable value of improvements to real property or tangible personal property that is brought to the real property after the execution of a tax abatement agreement will qualify for tax abatement.
- D. A tax abatement agreement must ensure that the periods of abatement are directly proportional to the capital expenditures for improvements and the number of permanent full-time jobs retained or created.
- E. Expansion or modernization of existing facilities qualifies for tax abatement if the expansion meets the qualifications for capital expenditures and nets new jobs. The number of jobs created must be new jobs and not replacement of jobs which were in the payroll within the year immediately prior to application for tax abatement. A tax

Res. 08-15-23-2

- abatement shall not be granted if the facility has been the subject of or included in a prior tax abatement agreement.
- F. If a new facility is constructed to replace an existing facility, and the existing facility is abandoned by the developer, property owner, project owner, or other recipient of a tax abatement, only the difference in taxable value of the new facility over the existing facility will qualify for tax abatement.
- G. An agreement will be executed by the developer, property owner, project owner, or other recipient of a tax abatement which incorporates the terms of this resolution and includes any other site and development specific terms which might be found applicable at the time.
- H. The tax abatement agreement will require, among other things, that the City of Amarillo will have the right of access to the site and books and records of the applicant for tax abatement to determine compliance with statutory requirements and the agreement. Failure to fulfill any of the requirements of the agreement will result in cancellation of the agreement and retroactive loss of tax abatement.

SECTION 2. If any provision, section, subsection, sentence, clause or the application of same to any person or set of circumstances for any reason is held to be unconstitutional, void or invalid or for any reason unenforceable, the validity of the remaining portions of this ordinance or the application thereby shall remain in effect, it being the intent of the City Council of the City of Amarillo, Texas in adopting this ordinance, that no portion thereof or provision contained herein shall become inoperative or fail by any reasons of unconstitutionality of any other portion or provision.
